

"Office Specialty" Filing Equipment is made in hundreds of stock designs for all purposes.

For peculiar equipment problems our Engineering Department is at your disposal.

BUILT TO ENDURE

In every Filing Cabinet—in every piece of Filing Equipment that's turned out of the "Office Specialty" Factories—there's something more than a mere assembly of Wood or Steel. There's a Name, founded 30 years ago—a name that means the pinnacle of manufacturing excellence—the embodiment of *enduring* goodness.

To sustain the exemplary reputation of which the name "Office Specialty" is a symbol has been an incentive—a constant stimulus to keep us up to concert pitch.

That's why you always find "Office Specialty" products of such uniform goodness—of such lasting durability.

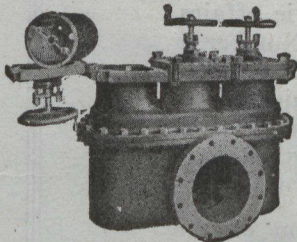

And the determination to maintain—to make even greater this reputation, is our pledge to you of the continued excellence of "Office Specialty" products.

We'll be glad to send you a copy of our latest catalog on Wood and Steel Equipment. A postal will do.
