

(iv) inspect documentation and records it deems relevant to the conduct of its mission, 1/ and

(v) have photographs taken at its request by representatives of the State Party receiving the inspection.

(b) In carrying out the inspection in accordance with the request, the inspection team shall use only those methods necessary to provide sufficient relevant facts to clarify doubts about compliance with the provisions of the Convention, and shall refrain from activities not relevant thereto. It shall collect and document such evidence as is related to the compliance with the Convention by the State Party receiving the inspection, but shall neither seek nor document information which is clearly not related thereto, unless the State Party receiving the inspection expressly requests it to do so. Any material collected and subsequently found not to be relevant shall not be retained. 2/

[(c) The inspection team shall be guided by the principle of conducting the inspection in the least intrusive manner possible, consistent with the effective and timely accomplishment of its mission. 3/ It shall, to the extent it deems them appropriate, take into consideration and adopt proposals which may be made by the State Party receiving the inspection, at whatever stage of the inspection, to ensure that sensitive equipment or information, not related to chemical weapons, is protected.] 4/

(d) The State Party receiving the inspection shall co-operate with the inspection team in clarifying anomalies arising in the course of the inspection.

11. Post-inspection procedures

(To be developed)

1/ A view was expressed that this point can be usefully considered only after solution of the pending issues in paragraph 12, page 194.

2/ It has been pointed out that the operational meaning of this paragraph would be largely contingent on the specificity of the request, which needs to be considered in the context of paragraph 4, page 193.

3/ Possible standardization of procedures to facilitate the implementation, inter alia, of this principle may be considered in the context of a manual for inspectors to be elaborated by the Technical Secretariat.

4/ Following the elaboration of the Annex on the Protection of Confidential Information, the deletion of this sentence needs to be considered.
