Mr. Speaker: I should point out that the Estimates have now been tabled. The information documents are the ones that are still waiting. I will take into account the hon. member's intervention and consider that also.

Mr. Boudria: On a further point of order, Mr. Speaker.

Mr. Speaker: I ask the hon. member if this is a different point of order.

Mr. Boudria: Yes, Mr. Speaker.

Mr. Speaker: Yes, of course I will hear it.

Mr. Boudria: Mr. Speaker, a few moments ago the Minister of Justice said that we are going to see what happens to government bills in the Senate. The reference made was that somehow the actions of the government today are related to an action in the other place.

Some hon. members: Oh, oh!

Mr. Speaker: The hon. minister.

Since there is a detailed allocation of the Estimates to various committees and the list is lengthy, if it is agreeable to the House, I would ask that the list be printed in *Hansard* as if it had been read.
