

I am very sorry I
did not think to see you

Clark to-day. With Ottawa
I arranged a date -

December 4th. It is

Thursday I know but I

wish him to go on that

date and to let Ottawa

know as soon as possible
what he will speak to them

about. They are a peculiar

lot. Please tell him I
shall speak to him about this
and his visit to them on
Thursday. Don't try to change
the date. AWB
