Dear Mr. Cunningham:-

I am to-day in receipt of a letter from Mr. Hair, Secretary-Treasurer of the Last Post Fund, in which he states that the Veterans' Alliance have not yet turned over to him the allotment to the Last Post Fund from the Poppy Day collections.

I cannot see the reason of the long delay and hope that you will be able to see to it that the allotment is turned over immediately. There was a distinct understanding that the Last Post Fund would participate in the Poppy Day collections, and if there is anything that will ruin that Poppy Day Fund it will be a breach of faith on the part of the Veterans' Alliance.

With all good wishes, I am,

Yours faithfully,
