

DIAGRAM XII.

SMALL-POX MORTALITY PER 100,000.

The ARMY and NAVY as compared with IRELAND.
From the earliest year given for Ireland in the Reports of
the Royal Commission.

Authorities.

Army, Second Report, Table C, p. 278.

Navy, Second Report, Table C, p. 254.

Both supplemented for the last six years by the "Final
Report," pp. 86-88.

Ireland. Table on p. 57 of "Final Report," corrected to
ages 15-45 by adding one-tenth, according to the Table J at p.
274 of Second Report.
