

NEWFOUNDLAND

(OPEN SEASON)

GAME.—Caribou, from July 16th to January 31st, excepting from October 7th to October 20th (inclusive).

Otter, October 2nd to March 31st.

Rabbits and hares, September 16th to February 28th.

Beaver, from October 1st to March 31st.

Moose and elk, protected until January, 1906.

Not more than three stag and one doe caribou to be killed in any one year by any one person.

Dogs must not be used to hunt caribou.

GAME BIRDS.—Partridge, ptarmigan and other grouse, September 16th to January 11th.

Curlew, plover, snipe or other wild or migratory birds, excepting wild geese, August 21st to January 11th.

FISH.—Salmon, grilse, or parr or trout, in any lake, river, pond, brook or stream, January 16th to September 9th.

NON-RESIDENTS' LICENSES

There are three kinds of licenses—one entitling the holder thereof to kill and take two stag and one doe caribou, \$40, valid for four weeks; another to kill three stag and one doe caribou, \$50, valid for six weeks; and a third to kill five stag and two doe caribou, \$80, valid for two months.

Export of carcasses permitted under certain conditions.

STATE OF VERMONT

(OPEN SEASON)

GAME.—Deer, from October 22nd to October 30th.

Rabbits and hares from September 2nd to April 30th.

Beaver, fisher and otter, from November 2nd to March 31st.

Ruffed grouse (partridge), woodcock, quail, wild duck, English snipe, wild goose and plover, from September 2nd to December 31st.

Sharp-tailed grouse, pinnated grouse, capercaillie, black game, ptarmigan or pheasant, protected till January 1st, 1900.

Upland plover from August 16th to November 30th.

English partridge from October 2nd to November 19th.

Deer or game birds taken from the State must be accompanied by the owner, and plainly labelled with owner's name.

Dogs must not be used to hunt deer.

FISH.—Black bass, from June 16th to December 31st. When taken less than ten inches in length, must be returned to water.

White perch, muskallonge, June 15th to April 14th, except in Lake Champlain.

Wall-eyed pike, pike perch, from May 2nd to December 31st, except in Lake Champlain, where season is throughout the year with hook and line.

Trout, land-locked salmon, and salmon trout or lunge, from May 2nd to August 31st.

Brook, rainbow, brown or Lock Leven trout when less than 6 inches, and land-locked salmon, salmon trout or steel-head trout less than 12 inches, must be returned to the water.
