FAIR WITHOUT SIDESHOWS IS A GREAT SUCCESS

Fine Harvest Services in Chester—May Establish Y. M. C. A.—County Items.

ZEPHYR, Oct. 11.—(Special).—That a purely agricultural fall fair can be successfully conducted without the introduction of objectionable fairs shows of whatever nature was clearly demonstrated in the fine gathering of the Scott Fall Fair, held here this afternoon.

While the forbidding appearance of the weather in some measure reduced the attendance, the receipts were most satisfactory. In field and garden roots and grain of all kinds the show was fully equal to many of a more pretentious nature, while the display of dairy butter and women's work of all kinds is always a strong point in this fair.

Horse Show Was Fine. In horses there was a magnificent showing, the Canadian draught class and carriage horses being exceptionally meritorious. There was a well-contested "farmers' trot," but no other speeding events.

Scott Township is always ahead in its exhibit of cattle, last year there being 74 entries in Durhams alone. Some of the leading exhibitors were McFarlane, Dunn, Archibald, Cain, Snodden, Lockie and Galbraith.

In carriage horses, in which class there were over 30 entries, some of the exhibitors were Messrs. Archibald, Archibald, Dunlop, Cameron, Miller, Park, Merrick, and McFarlane. In swine Messrs. Ego, Arnold and Harmon, and in poultry Mrs. Payne, and Messrs. Baker and Sinclair.

Officers Are Energetic. A refreshing feature about the whole fair was the spirit of earnestness, and devotion to every detail manifested by the board of directors, which communicated itself to all connected. Awards were received and accepted alike in the true spirit of rivalry. The success attending this old established and popular fair would not be possible without the presence of a magnificent farming section, and a knowledge as to what really constitutes a good country fair.

The officers of the Scott Fall Fair Association are James Blanshard, president; J. R. Stevenson, first vice-president; John R. Dunn, second vice-president; Wm. O. Webster, secretary-treasurer; and James Arnold, Chas. Fairman, B. Foote, Messrs. Lambert, R. Meyers, J. A. Ruttle, J. O. Umphrey and E. Jones.

W. H. Hoyle, M.L.A., and Sam Sharpe, candidates for North Ontario in the Dominion parliament, were busy men.

Want Agent Retained. The business men of the village and the traveling public generally are up in arms against the proposal of the Canadian Northern to withdraw the station agent for the winter, deputing the duties in part to the man in charge of the grain elevator, and providing no heating or other accommodation for the convenience of the traveling public. The reason given by the company is that the railway station will be replaced in the spring by a new one, the present structure not being warm enough. Freight shipments and receipts under the

management of the present agent, Mr. Hepburn, have nearly doubled within the last month, and the company will be at once urged to reconsider their proposal.

AGINCOURT. Farmers Suffer Heavy Loss Thru Defective Cattle Guards. AGINCOURT, Oct. 11.—There was an interesting bluecock shoot held here during the week to decide a challenge issued by T. Crawford, township clerk, and David Beldam, auctioneer, against the Agincourt coal merchants, W. H. Paterson and J. Elliott, at fifty birds a side. The match resulted in a victory for the coal men by nine birds.

For the return shooting match between East Toronto and Agincourt Gun clubs will be held on the grounds of the township on Saturday, Oct. 12, at 2 o'clock. A good attendance is requested. William Davidson had a very valuable cow killed by the C.P.R. here. The animal was a thorough shorthorn, valued at \$75. It broke out of the field and walked over the things the C.P.R. had put up for a cattle guard, and on to the track, and there met its death. It is high time that railway companies were compelled to put in efficient cattle-guards, or at least pay for stock that gets on the track by walking over these so-called guards. There have been about fifteen head of stock killed by the C.P.R. this year, and in three miles of this station from the same cause.

The Rev. James A. Brown, Presbyterian minister of Knox Church here for the past seventeen years, has received a call to St. Andrew's Church, Ferguson. Mr. Brown is said to be considerably over the hill. The anniversary services of Knox Church are to be held on Sunday, Oct. 13, and the annual social on Monday evening, Oct. 21. The committee is preparing a splendid program for the occasion.

Ames this afternoon were somewhat marred by the unreasonable weather, but were nevertheless characterized by keen rivalry and a true spirit of sportsmanship. The officials of the course were: Judge, R. M. Radcliffe and Secretary, Robertson, Y.M.C.A.; starter, Jas. Paterson; manager of games, Princeton, French, M.A.; official scorer, Mr. Graham; B.A. and timers, Rev. Mr. Rogers and Tom Brownlee.

The funeral service of the late Thos. A. Lewis took place this afternoon in the Friends' Church, after which the remains were interred in Newmarket Cemetery. Mr. Lewis was 83 years of age, and born on the old Lewis home, Mrs. E. D. Davidson and John Lewis are the two surviving children.

Fire broke out about 3:45 yesterday morning in the Royal Hotel, and but for the prompt arrival of the local firemen the loss would have been a serious one. Four of the bedrooms, the hall and the bathroom were completely gutted. The hotel had only lately been renovated, and the whole house will be required to be refitted through.

The directors of the Newmarket Fair will have little remaining in the treasury after paying all the prizes and other expenses. The prize list totals \$2500.

LOCAL OPTION MEETING. York Township Petitions Largely Oversighted. A meeting of the executive of the York Township local option committee was held in the office of Mr. Spence in the Confederation Life building on Friday afternoon or Wednesday a full representation and a good deal of preliminary work was done thru the committee. The amount of labor involved in covering the twenty sub-divisions is very great, and the work of completing the list for presentation to the township clerk will not be completed before Tuesday or Wednesday of next week. The number on the petitions will be largely in excess of the actual requirements. John Wanless, president of the York Township local option committee, was in the chair.
