GARNETT CASE THROWN OUT

Grand Jury Brought in a No-Bill in the Street Railway Case.

G. F. Gibson Acquitted of Bigamy but Will Be Tried for Perjury—Court Adjourns.

When the June sessions of the peace resumed at 10 o'clock this morning, the jury brought in no bill against Chairman John Garnett, of the street railway employees' committee. The grand jury were then discharged.

Mr. Garnett was charged by Manager Carr with putting an explosive on the street railway tracks.

George Frederick Gibson, charged with bigamy, was acquitted. Mr. Magee, for the prosecution, said he would consent to the acquittal of the prisoner, as it had since come to light that Mary Ann Langford, whom he is alleged to have married while having a wife living, was also previously married. He had no proof that her former husband was dead, so would not press the charge. The judge discharged the prisoner, who will come up before a judge in a few days to be tried for perjury, he having denied the marriage, which was afterwards proven to have taken place.

After the petit jurors had been discharged the court concluded.

BISHOP OF LONDON

Report That the Appointment Has Been Made.

A Montreal dispatch says: Rev. Father Quinlivan, of St. Patrick's Church, this city, has received the offer of the bishopric of London, Ont., in succession to Bishop O'Connor. Father Quinlivan is a native of Stratford, Ont.

The report is characterized as merely a rumor in Toronto, as no names have yet been forwarded to Rome by the bishops from which to choose a successor.

Father Quinlivan, who may be the next Bishop of London, is still in his prime, being 53 years of age. He was born at Stratford, Ont., Sept. 17, 1846, the son of James Quinlivan and his wife, Ann Cramer. He was educated at the St. Basil's College, Toronto, and Montreal Seminary, and spent four years at Sulpician Seminary in Paris, from which he returned owing to ill health, and was ordained Sept. 29, 1878, by Mgr. Fabre. For two years he was one of the professors at Montreal College. After spending a year at Notre Dame as vicar, he became attached to St. Patrick's in the same quality in 1881, and has been there since. In 1892 he was appointed parish priest to replace the late Father Dowd. His appointment to the last mentioned place was welcomed by all his parishioners.

CLOSE CALL

Two Little Children Almost Run Over by a Train.

Woodstock, June 15. — As an express train was approaching the crossing of Norwich avenue, Woodstock, on the G. T. R., the engineer was horrified to see two little children standing, one over each rail, with arms extended, evidently with the intention of stopping the train. Brakes were at once put on, and every effort made to stop the train, and it finally came to a standstill on the spot where the children had been standing. A man who was passing, seeing the danger of the children, had rushed up and thrown them aside, only just in time. If he had not done so they would certainly have been killed, as the train had too much headway to stop it in time. One of the children was a boy named George Johnston and the other a girl named Florence Henry. They are little tots of about 3 years of age, and had absolutely no fear of the train.

SARNIA MAN KILLED AT PORT HURON.

Port Huron, June 14.—John Kerr, a switchman in the Grand Trunk yards, was killed yesterday while coupling cars. He stumbled against a guard rail and fell under the wheels, his head being terribly crushed. Deceased resided at Sarnia, and leaves a widow and three children. He was 32 years of age and an old railway employee, but had worked in the Port Huron yards only a short time.

A printing ink combine, with \$20,000,000 capital is proposed.

Wild With Eczema!

For 12 Years She Suffered Terribly, and Doctors Could Only Give Temporary Relief—Was Completely Cured by Three Boxes of

DR. CHASE'S OINTMENT!

Mrs. R. Stoddard, Delhi, Norfolk Co., Ont., writes as follows: "I was troubled with Eczema for over twelve years, and doctored during that time with four different physicians, but found that they could only give temporary relief. I saw Dr. Chase's Ointment advertised, decided to try it, and before I had used half a box found great relief and change. Altogether I have used three boxes, and am now completely cured. I have recommended it to my neighbors, and can say it is the best I have ever used, and, in my estimation, worth its weight in gold."

Truly Dr. Chase's Ointment works wonders, for it has the greatest record of cures in the history of medicine. The claim that it will cure any case of Eczema, Salt Rheum or Itching Skin is fully indorsed by the evidence of scores and hundreds of cured ones. For sale by all dealers, or EDMANSON, BATES & CO., Toronto.
