Protection for its own sake is class legislation for the few against the many, and in justice to all it must go. There is justly a strong feeling against the excessive duties upon woolen goods. Canada, like the nothern states, and in fact, like all or nearly all northern countries, has its cold winters, and in Health and comfort demand it. In case any of us make a ten dollar purchase of woolen goods-home manu paid 40 per cent duty, as a rule the purchaser gets about six dollars worth of goods, and the four dollars or thereare obliged to do with cotton goods instead of woolen. This special plea is made particular

ly in behalf of the poor and the bread winner and his family, whose rights no government can afford to ignore. We plead justice for all. Let the tariff on goods from the mother country be light and for revenue purposes only.

people across the pond. Then, further, would consume more apples, bacon butter, cheese, canned goods, turkeys,

This policy would also help the carrying trade and give us better rates There is no good reason for putting

ly under the shelter of a revenue tariff though it be light. Probably in a fair business competition some would drop out, but for these manufacturers who have missed their calling there is lots of room elsewhere

A GIRL HEROINE

S. T. PETTET, Aylmer, Ont.

Fatally Burned While Attempting To Save Life of Baby.

London, Dec. 3.-A little girl of ter named Rose Read, died in West Ham Hospital recently from burns sustained in heroic efforts to save another

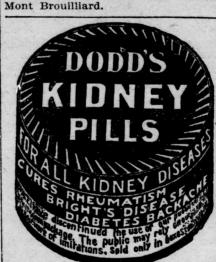

In a small house in Lucas road, Abbey lane, Stratford, lived two families, named Read and Lake. Mrs. Lake and Mrs. Read went out shopping in the morning, leaving five children in the house-Rose Read and John Lake each aged ten, the other three being babies, whose ages varied from 18 months to 4 years. A fire broke out upstairs, and all the children got out of the house except Alice Lake, the youngest baby. Rose Read, hearing of her little comrade's dangerous position, ran upstairs to attempt a rescue. An alarm was raised, and a coal dealer named Hull rushed into the house. He found that Rose's clothes were on fire, and he promptly extinguished the flames and carried the child downstairs.

Re-entering the house, Hull found that the baby's clothes were smoldering. He beat out the flames, and hurried with the little one to a place of safety

The fire, a slight one, was quickly put out by the neighbors before the arrival of the brigade. Rose Read succumbed to her injuries later in the day. The baby was practically uninjured, and was not detained in the hospital.

Owing to the race troubles in Georand editor of the Georgia Baptist, will discontinue the publication of that paper and leave the state.

Dr. Blodig, the well-known mountaineer of Bregenz, Austria, has ascended every peak in the Alps that is over 4,000 meters high. He recently completed his record by climbing

Woman's Kidney Troubles

Lydia E. Pinkham's Vegetable Compound is Especially Successful in Curing This Fatal

Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women, and thousands have been cured of serious kidney derangements by it. Derangements of the feminine organs quickly affect the kidneys, and when a woman has such symptoms as pain or weight in the loins, backache, bearing-down pains, scalding or burning sensations or deposits in the urine, unusual thirst, swelling of hands and feet, swelling under the eyes or sharp pains in the back running through the groin, she may infer that her kidneys are affected and should lose no time in combating the disease with Lydia E. Pinkham's

Vegetable Compound, the woman's remedy for woman's ills. The following letters show how marvelously successful it is. Mrs. Samuel Frake, of Prospect Plains,

Of all the diseases known, with which women are afflicted, chronic kidney disease is the most fatal. In fact, unless early and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Lydia E. Pinkham, early in her career, gave exhaustive study to the subject, and in producing her great remedy for a woman's ills—Lydia E. Pinkham's Vegetable Compound—was careful to see that it contained the correct combination of herbs which was sure to control that fatal disease, woman's kidney troubles. Lydia E. Pinkham's Vegetable Compound is the colly one especially prepared.

has done for me. When I first wrote to you I had suffered for years with what the doctor called kidney trouble and congestion of the female organs. My back ached dreadfully all the time, and I suffered so with that bearing-down feeling I could hardly walk across the room. I did not get any better, so decided to stop doctoring with my bysician and take Lydia E. Pinkham's Vegetable Compound and I am thankful to say it has entirely cured me. I do all my own work, have no more backache and all bad symptoms have disappeared.

"I cannot praise your medicine enough, and would advise all women suffering with kidney frouble to try it."

Mrs. J. W. Lang, of 626 Third Avenue, New York, writes:

Dear Mrs. Pinkham :-

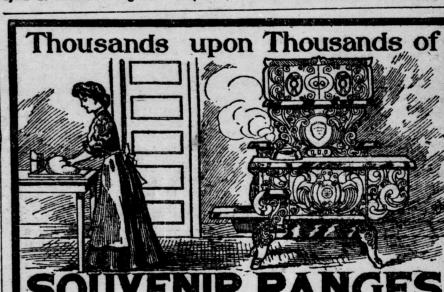

"I have been a great sufferer with kidney trouble. My back ached all the time and I was discouraged. I heard that Lydia E. Pinkham's Vegetable Compound would cure kidney disease, and I began to take it: and it has cured me when everything else had failed. I have recommended it to lots of people and they all praise it very highly." Mrs. Pinkham's Standing Invitation.

Women suffering from kidney trouble, or any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely given to sick women. Out of the great Dear Mrs. Pinkham:—

"I cannot thank you enough for what Lydia E. Pinkham's Vegetable Compound lydia E. Di-lib."

"I cannot thank you enough for what Lydia E. Pinkham's Vegetable Compound helpful. volume of experience which she has to
