SHILOH is good for coughs—for nearly half a century that has been the watchword in thousands of homes.

Shiloh brings quick relief to an inflamed cough-racked throat. It cuts the dangerous phlegm in croup, eases a hard tearing cough and is the great preventative of more serious troubles. Shiloh doesn't upset the stomach. It is extremely pleasant to take and because of the small dose you will find it, we think, the most economical medicine you ever used.

Let Shiloh cure your next cough. 25c, 50c and \$1.00, at all druggists.
