HOCKEY GRANITES 4 VARSITY 2

WEDNESDAY MORNING JANUARY 26 1921

PUNCH AT FINISH WON FOR GRANITES

Have Two-Goal Margin Over Varsity in Thrilling Senior Game.

The wise followers of hockey figured that the victor of last night's game should land in the play-off for the senior O.H. A honors. That being the case; Jerry Laflamme's Granites should supply the opposition in this tid bit. Granites bea. out Yarsity 4 to 2 in a whirlwind game last night, with every corner of the Arena occupied. It was a game with the old-time cash of tabasco and a thriller right to the final bell. Dunc, Munro did the K.O. act. Dunc. had the punch in the last two minutes to uncork two rushes that meant just that many goals and the game for Granites by that margin.

and the game for Granites by that margin.

The man that could pick the best team deserves a medal. It was a fifty-fifty any way you look at it, Granites got the jump early with two goals. Varsity came back in the second with a terrible punch, grabbed a counter and skated the count a minute after the third round opened, and then they battled like tigers until the last few minutes of play. Varsity moved up their whole brigade to the attack. Munro broke away from the press, skirted the defence for the goal that broke the tie, and then made the play for the second and final one. MeIntyre was the only Varsity player back, and Munro's burst of speed outfooted the Varsity crew back. He went past McIntyre flying, and out-raced Langtry to stop, but Aggett was in like a flash, and netted the puck with Langtry down his full length on the ice out in front of the net.
