

Mission Band Report

The Senior Mission Band of McNab Street Church is able to report a successful year's work. Much general interest has been shown in the work. Two lectures and a concert were held during the year, and with the annual sale of work in November, and contributions from "scattered helpers," we were enabled to send the General Treasurer \$135.00.

During the year more of our members have subscribed to the Letter Leaflet.

H. MACDONALD,
Secretary

Juvenile Mission Band Report

Our Band met weekly during six months of the year to work for the annual sale under Miss Mackay.

The younger children sewed on a quilt for the North West, while the older ones superintended. Miss Mackay being absent at the beginning of the year, Mrs. McQuesten kindly took charge of the meetings and read aloud notes on missionary work, which were very interesting.

Out of a membership of 31 the average attendance was 14. The annual sale of work took place in November; the amount received was \$48.09. Contributions from concert and mite boxes amounted to \$11.60. We spent \$3.69 of the mite box money on materials for the sale. We gave our yearly contribution of \$50.00 to the W. F. M. S. and put the remainder in the bank to buy materials for the sale next year. We value the quilt made for the North West at \$3.00.

EFFIE McFARLANE,
Secretary
