ARE A TIE FOR CHAMPIONSHIP

St. Josephs Win from Marathons Saturday 7 to 3, and Each Now Have Game to Credit.

The St. Josephs turned the tables on Marathons on the Victoria grounds Saturday, taking the Greeks into camp 7 to 3. The boys in purple and white played a much snappier game than on the previous Saturday, while if anything their opponents were off. Gilmore was touched up for eleven hits and his support was not what it should have been.

In the third the Marathons twirler was batted hard and this, with costly errors, allowed the purple and white to get three men home. From this to the fifth, however, the Marathons took a brace, scoring one in each of these innings. In the third they got two two-baggers off McGuigan's. In the fourth errors on the St. Josephs' part enabled them to get their run. In the fifth the Greeks took a decided dose of the rattles, the pitcher himself figuring for two errors, this with some good catch work helped to do the trick. The teams are now tied, with a game each, and next Saturday is looked forward to as the game of the season. The score:

FOOTBALL SYDNEY STARTS

Another New Zealand team is getting ready for the football season. The Sydney Record of Thursday says: "The enthusiasm of the strenuous game of football are becoming interested again as the tang of the autumn breeze into the atmosphere, and an effort is being made by Gordon Richmond, who is a well known figure on the local gridiron, to get the rest of the hazy bunch together. It is not improbable, judging from Gordon's success so far, that a couple of teams will be got together for the season's killing. It is not learned what progress is being made with the game in the outlying towns, but doubtless they will wake up to the fact that the game has got to be kept in existence in some way."

It is easily understood why Nova Scotia has some fast teams.

ST. JOHN MEN DID NOT GET PLACES

At M. P. A. A. Annual Meet at Halifax, Saturday, the Events Were Well Contested

The M. P. A. A. annual championships were run off at Halifax on Saturday under the most favorable auspices. In fact they were the most successful held in years. The feature of the meet was the performance of H. E. White, of the Abegweit-Crescent, who won the half mile in 2:00.15, establishing a record for the maritime provinces. The record of 2:00.74 was held by George Tracy. The two St. John men entered, Fred Bovaard and Giggay, did not get places. Bovaard came in second in one heat of the 100 yards dash, and Percy Giggay got third place in the 440. The winners of the events and times made were as follows: 100 yards dash, E. Shafer, Wanderers, A. C., 12.25; 220 in 23.35. The 440 and 880 went to H. E. White, of the Abegweit-Crescent. A. C. the time being 54.35 and 2:00.15 respectively. The mile was won by A. F. Dr. McDonald also won the running broad jump by 18 ft 5 in. At the annual meeting of the M. P. A. A. A. held on Saturday night there were about 30 delegates present, including two from the Cape Breton union. It was decided that the affiliation with the Canadian A. A. Union should be completed, provision being made for withdrawal on thirty days notice.

It was stated that applications from St. John for the reinstatement of H. Belyea, the sculler and from the firemen for an arrangement permitting amateur members of the fire department to take part in bona fide fire service competitions where non-firemen also compete were expected; but were not received.

The officers elected were as follows: President, J. C. Lathrop (re-elected); vice president, one to be from P. E. Island and the other from New Brunswick; treasurer, G. A. Gaurin (re-elected); secretary, J. C. Lathrop (re-elected); executive committee, J. C. Lathrop, G. A. Gaurin, C. G. Kent, Truro; C. H. Bennett, W. C. Bishop, P. C. Neville, Arthur Weston, W. B. Favorites Beaten. Hartford, Conn., Sept. 7.—Dashing horse races, which today again brought the 20,000 people who went to Charter Oak Park today to their feet, characterized the closing and only day's meet on the season at this historic track. Four days of rain caused postponements until it was decided to give up the purse events and devote one day to the stake contests. For these latter events purses aggregating \$25,000 were hung up.

In every race but one the favorites were badly beaten, the exception being the thirty three furlong race, in which the favorite, Sonoma Girl and Tempus Fugit, of whom great things were expected in the star event, the Charter Oak Trot, were kept disappointed, while Wilkes Heart won for her owner \$7,000 by taking all three heats, each one of which was a race. Jack Leyburn put up a desperate fight for his prize and only missed it by inches. His money winnings were \$1,500, representing three seconds.

In the 207 pace the big money getter was Kruger, who by taking two heats got \$2,200, while Douglas, in the futurity trot, captured \$7,500. The finishes were all close and the time good considering the condition of the track. It is said the management lost \$25,000 as a result of the bad weather.

FIRST FOOTBALL ACCIDENT. CHICOPEE, Mass., Sept. 7.—The first football accident of the season has been recorded here. Within a minute of beginning the first football practice yesterday the collar bone of Fred Griggs, 18 years of age, of the Chicopee high school eleven, was broken in a mass play.

JESUIT MISSION OPENED YESTERDAY

Two Weeks Special Services Commenced in the Cathedral

The mission which was opened yesterday morning at 11 o'clock in the cathedral promises to be the most successful in the history of the parish. Very large congregations attended yesterday. High mass was celebrated at 11 o'clock and the three Jesuit fathers who are conducting the mission were present. Additional solemnity was added to the occasion by the presence of Bishop Casey on the throne attended by Rev. Father Mulhall, S. J., and Rev. W. J. Holland, Mass was celebrated by Rev. Father Gallivan, S. J., and the solemn service was delivered by Rev. Father Connolly, S. J.

The discourse, which was an eloquent and powerful one, dealt with the aims and objects of the mission. The reverend father urged upon his hearers the duty of attending all the services. The mission will be given over to services for women and the second to services for men. A mission for children from ten to sixteen years of age was also begun yesterday afternoon at 2:30 and will be continued all this week.

The services during the mission for women will be: 5 a. m., mass and important instruction; 9 a. m., mass and important instruction; 7:30 p. m., rosary, sermon, Benediction. The mission to women was inaugurated last night and every seat in the cathedral was occupied. The rosary was recited and short instruction given by Father Mulhall and the sermon was preached by Father Gallivan from the text: "What shall it profit a man to gain the whole world and lose his own soul." The discourse was a very earnest, practical, and delivered and was listened to with close attention.

The last session in the cathedral was six years ago.

WHEN MYRTLE COMES BACK.

When Myrtle comes back to town, The drooping summer lists its head; The daisies forget they were a town, And all my woes are quickly sped. Methinks the ocean pounds the shore As if it knew it had to win; The daisies forget they were a town, And all my woes are quickly sped. The city smiles, and in the park The grass is greener overhead; The daisies forget they were a town, And all my woes are quickly sped. I fear, in truth, her face so brown As if that makes her half content; And when Myrtle comes back to town, It simply means her hands are spent.

AMERICANS WIN PALMA TROPHY

Phenomenal Shooting at the Rockcliffe Range on Saturday

Ottawa, Sept. 8.—Superior sights, with exceedingly favorable weather for their use, better ammunition and guns than the other teams, contributed largely to the Americans capturing the Palma trophy on the Rockcliffe range on Saturday in competition with Britain, Canada and Australia.

The weather was ideal and the "preparation" of the Americans worked to perfection. Despite this fact the Canadians managed to beat them at the 1,000 yards range.

Altogether the shooting was phenomenal. It beats all previous records. The Americans had an average of 214 each out of a possible of 225 at the ranges, 800, 900 and 1,000 yards. Bryant, for the United States, hit 74 and Russell, for Canada, hit 73 at the 1,000 yard range, which beats all previous records with either service or match rifles.

The total score of the United States was 1,712 out of a possible of 1,800, or 41 points better than Canada, the next highest. Canada had a score of 1,671. Australia, 1,653, and Great Britain 1,580. The scores for the three ranges were as follows:

	800	900	1000	Total
United States	800	872	840	2512
Canada	770	854	851	2475
Australia	770	824	859	2453
Great Britain	661	626	693	1980

The individual scores of the United States and Canada, the next in order, were: American team—Winder, 219; Towes, 215; Hudson, 215; Orr, 220; Simon, 215; Bennett, 215; Casey, 215; Bryant, 219; total, 1,712. Canada—McInnes, 212; Russell, 214; Smith, 207; McGraw, 202; Green, 215; Kelly, 211; Skedden, 206; Richardson, 207; total, 1,671.

When the shooting was over Col. Sam. Hughes, president of the D. R. A., announced the winners and called for three cheers. This was heartily given. Cheers were also given for the other teams.

CHINESE DRIVEN FROM THEIR HOME

Vancouver, B. C., Sept. 6.—A riot occurred here last night in which 2,000 Chinese were driven from their homes and \$5,000 worth of property destroyed.

Lieut-Governor Dumas, of British Columbia, was burned in effigy by 10,000 laboring men at the close of a parade and anti-Oriental demonstration. The police were unable to quell the rioters or make any arrests until a late hour, when it finally got control of the situation and prevented a raid on the Japanese quarters.

The new reducer casting connecting the 36-inch main with the 24-inch main at the Marsh bridge was placed in position early Sunday morning and the normal pressure was restored at 8 a. m. The work of increasing the pressure on the distribution system will likely be commenced within a few days.

Looseness of The Bowels.

It is very seldom during the summer months that most people are not troubled with "looseness of the bowels." Sometimes it only goes that far, but generally it develops into Diarrhoea, Dysentery or Summer Complaint and has a tendency to weaken the whole system.

When the bowels get loosened up in this way and you wish to check the unnatural discharge without bringing on constipation, there is only one remedy to use, and that one is Dr. Fowler's Extract or Wild Strawberry. This remedy is not an experiment as it has been used in thousands of families during the past sixty-two years.

When you ask for Dr. Fowler's be sure you get it, as many unprincipled druggists will try to palm off a cheap substitute on you.

Miss M. Hopkins, Roseview, Sask., writes: "I have used Dr. Fowler's Extract or Wild Strawberry and found it is all it is recommended to be for Diarrhoea and Summer Complaint. We would not be without a bottle of it in the house."
