Halifar, Sept. 18.—Welearn from good authority that "Head Quarters" are to be removed from this place to Fredericton, New-Bronswick;—the wisdom of this step we cannot see; the felter of it, Halifar will feel materially. Assistant Commissary General Robinson has been promoted to Depute Commissary General; and D. A. C. General Williams, Milkin, and Howe, have received the ranks of Assistants Commissary General; and D. A. C. General Williams, Milkin, and Howe, have received the rasks of Assistants Commissary General; because the second of Assistants Commissary General, and D. A. C. General Williams, Milkin, and Howe, have received the rasks of Assistants Commissary General; and D. A. C. General Williams, Milkin, and Howe, have received the rasks stated that a successor to his Excellency Sir Colin Campbell was appointed, but scarcely any streation was given to the report by the public. Early on Wednesday morning, however, all cinduits upon the subject were set at rest by the unexpected arrived of Lord Falkiand and his suite. His Lordship landed some minutes after nine o'clock, and was received by a guard of honour from the 37th Rgt. The reception of his Lordship compared with that which his prediceasors have met, in our view was rather destricted of Covernors, and we are sorry that a time-worn, guilant veteral so respected as undulvedly Sir Colin Campbell will continue in command till the moment he embarks in the Britannia for England, We anticipate that the policy of Lord Falkland will be the means of accel
