COURT FOR TRIAL

Lee Livingstone Arrested on Charge of Theft of Coal Bags.

Lee Livingstone was arrested last night on a warrant charging him with theft of 11 coal bags valued at \$24.75, the property of the Consumers' Coal Company, Ltd., and was committed for trial by Magistrate Henderson in the police court this morning.

When the charge was read to the prisoner he said he could not remember anything about it. Sergeant Detective Power then summond Frank Hargen to testify. The witness said he was a teamster and had been hauling coal for the Consumers' Coal Company. He said that on August 8 he drove home as usual and left some bags an a his team. The following morning he missed 11 of them and notified the police. He identified bags produced in court as those stolen, as they had identification marks. The bags, he said, were valued at \$2.50 each. He knew the defendant, who had been in his employ at the time and who left at the end of that week. Thomas Myles testified that early in August he had purchased 11 coal bags from the defendant and had paid him 50c, each for them. In consequence of information received the reported to the police that he had the bags and turned the mover to Sergeant Detective Piddiscombe.

Detective Biddiscombe told of receiving information about the thet of the bags and of receiving them from Mr. Myles. A warrant had been swont out for the defendant, but he could not be located until last night.

When the defendant was warned that anything he might say would be learned that anything he might say would be learned that anything he might say would be learned to the the defendant was warned that anything he might say would be learned to the learned that anything he might say would be learned to the late the formation and the say and consists of Allan A. Mellowers and Detective Biddiscombe.

Detective Biddiscombe told of receiving information about the theft of the bags and of receiving he morning that the say and t

out for the defendant, but he could not be located until last night.

When the defendant was warned that anything he might say would be taken down and used in his trial he was asked if he wished to make any statement. He said, "If I could settle this." He was interrupted and informed that it was not a question of settling it, but if he had anything to say, and he replied that he had not. Magistrate Henderson then announced that he considered there was sufficient evidence to place him on trial.

Results of Artiflery Competition Announced—Indi
BOY BEFORE JUDGE.

A juvenile who was arrested yesterday on a charge of being a habitual truant and who has a record at police headquarters, despite the fact that he is only a small boy, was this morning taken before Judge Barry and city electrician, with power to act. On motion of Commissioner Wigmore and Crown streets was authorized at an estimated cost of \$900, to be paid for by bond issue.

Commissioner Frink said he was surprised at the ease with which bond issue went through for the water and sewerage department while the poor public works got the heavy end of the stick. He asked why the work in Bellevier for pages by the feet of the same through for the water and sewerage with which bond issue went whole hond issue went through for the water and sewerage department and said that any commissioner wigmore said he took exception to the remarks about the ease with which bond issue with which bond issue went who is not selling papers. He tells Sergt. Baxter to keep the boys in line. The local policement, who has a watched over the boys here for years, was pleased to hear from his little friend.
