

TAKE PRECAUTIONS AGAINST FIRE LOSS

Board of Warden Names 25
Firemen in Eastern Sub-
urban District

The Board of Fire Wardens, District No. 1, parish of Simonds, composed of Charles Weldon, chairman; Frank E. Jones, secretary; O. J. Lawson, Robert Kirkpatrick, A. F. Burditt, members, were in special session on Friday last Saturday of last week for the purpose of drawing up and approving regulations so that all preparatory arrangements may be well underway when the fire hydrants approved by the County Council at its January meeting are installed and to cope with any emergency in the meantime.

A body of 25 firemen distributed over the entire fire district with Samuel L. Day as chief and James Strachan as sub-chief was decided upon.

The names of the firemen approved are as follows: S. L. Day, chief; James Strachan, sub-chief; William Ryan, Thomas Nash, Willard Graves, A. J. Veathall, David McInerney, C. D. O'Neil, Cyril Cormier, Fenwick Foley, J. Moore, Redd Lewis, Harry Foster, Donald Downes, Walter King, James Reid, Fred Baxter, Jack Penney, Joseph McKennie, Fred Fawcett, J. A. Sheehan, A. Taylor, Sr., W. McIntyre, Simpson and Ralph Fulton.

Fire Wardens O. J. Lawson and Robert Kirkpatrick were appointed visitors for the purpose of making a survey of such defective stores, places, hearths, chimneys, etc., as in their opinion may be a danger in the district.

It was further decided as a regulation that the board should meet regularly on the third Monday of each month for the transaction of business.

It was expected that the ratemakers, seeing the quick growth of East St. John, and in particular of some sections where settlement was congested, would give their approval for the installation of water both for the purpose of a fresh water supply and for more adequate fire protection, one of the residents said last night.

THEY TELL THEIR NEIGHBORS

Women Tell Each Other How They
Were Helped by Lydia E. Pink-
ham's Vegetable Compound

Woodbridge, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles. I would have headaches, backaches, pains between my shoulders and under my shoulder-blades and ragging down feelings on each side. I was sometimes unable to do my work and felt very badly. My mother-in-law told me about the Vegetable Compound and I got some right away. It has done me more good than any other medicine I ever took and I recommend it to my neighbors. You are quite welcome to use this letter as a testimonial if you think it will help some of our sufferers."—Mrs. EDGAR SIMMONS, R. 2, Woodbridge, Ont.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not get Lydia E. Pinkham's Vegetable Compound a fair trial. This famous remedy, the medicinal ingredients of which are derived from roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

No remedy can cure all ailments of the human body, but an immense number of peo- ple suffer from aches, pains and dis-eases when their real trouble is lack of iron in the blood. It is the iron in your blood that enables you to get the nourishment out of your food. Without iron your food merely passes through you with- out doing you any good; you don't get the strength out of it. There is one univer- sally known tonic that has helped thousands because it contains iron like the iron in fresh vegetables and like the iron in your blood.

KIDNEY TROUBLE?

The Kidneys are the Blood Filters—When They Weaken and Stop Up, the System Becomes Overloaded With Uric Acid.

Toronto, Ont.—"I can highly recommend Dr. Pierce's Anuric (anti-uric-acid) Tablets to all those who suffer in any way with their kidneys or bladder. Anuric is by far the best medicine of the kind I have ever taken. My kidneys were congested and inflamed, my back ached something awful, my bladder was weak and I suffered from a scalding and burning sensation. I was almost down and out—but, thanks to Doctor Pierce's Anuric (kidney) Tablets I do not suffer any more. Those who suffer as I did will find Dr. Pierce's Anuric Tablets just the medicine they need."—Mrs. Albert Blunt, 6 Blevins Place.

Ask your nearest druggist for Anuric, in tablet form, or send 10 cents to Doctor Pierce's Laboratory in Bridgeburg, N. Y., for trial package. Write Dr. Pierce, Prest. Invalids Hotel, Buffalo, N. Y., for free medical advice.

There Seemed No Happiness Ahead of Her

Do you feel depressed? Are you easily irritated? Are your nerves all on edge? Do trifling happenings bother you? Have you a feeling that something dreadful is going to happen? These symptoms are not uncommon as many people have them. They are the signs which tell you that you are run down, and need something to enrich your blood, quiet your nerves and tone up your system. Carnol will do this quickly and effectively. It has done it for Mrs. Elizabeth King, as well as thousands of other people and it will do it for you. Here's what Mrs. King says:

"This is to certify that I was for several years troubled with a run-down state of health. I was depressed, nervous, weak. Frequently I suffered from severe headaches caused by loss of appetite. I had no inclination to do anything. I was becoming more and more despondent every day. There seemed no happiness ahead of me. My friend told me to try Carnol as she was sure it would help me. I purchased a few bottles and before I had finished taking the first bottle I felt like a different woman. It affords me the greatest pleasure to recommend it to any one who is in a run-down state of health. I found it more successful than any other tonic."—Mrs. Elizabeth King, 117 Cedar Street, Halifax, N.S. 20-9

WHEAT DIVERSION COST CITY \$200,000

This is What St. John Might
Have Got if Grain
Came Here.

The figures published in The Evening Times-Star recently showing that during the three months ended on Jan. 31 the Canadian National Railways delivered at Portland, Me., 6,831,294 bushels of grain for transatlantic shipment as against 464,168 to St. John in the same period have caused considerable discussion here as to what the Portland grain traffic would mean to St. John in the future. While it is impossible to arrive at an exact calculation, it is estimated that, were the 6,831,294 bushels delivered here, it would mean probably a distribution of \$200,000 at this port.

To reach the exact amount would, for various reasons, entail an enormous mass of work, including the searching of books and marine records at the two ports. In the first place, it would be necessary to determine the exact average tonnage of all the vessels which loaded grain at Portland in the months of November, December and January, whether they carried full or partial cargoes and whether they were fitted up for grain carrying when they arrived at Portland.

A 2,800-ton steamer can be loaded with grain in two days and two nights. There are four grain carriers at the two ports, each carrying 15 men and a foreman. The wages are 65 cents an hour, day and night.

Capacity of Vessels.

It would be necessary also to determine how many stores the vessels purchased and how much coal they had to be supplied with.

The average tonnage of a grain carrier is from 2,800 to 3,000 tons coming to St. John to load grain, providing she were not fitted up, and her bunkers and larder were empty, would spend about \$2,700 for coal, \$2,500 for \$2,000 for fitting up for grain, and \$1,700 for port charges and stevedoring, which includes wages. Then the crew would probably spend several hundred dollars while in port.

It probably required 80 steamships to carry the 6,831,294 out of Portland. Had those steamships been obliged to buy a full supply of coal and provisions, it would have cost \$2,000,000.

How to Purify the Blood

FOR THE COUGH THAT STICKS

Common Cough Syrups Won't Help—You've Got to Make Your Own

Cheap and Best

For any kind of a cough, but especially for the stubborn one that persists and keeps you awake nights this home made cough mixture will quickly loosen the phlegm, allay the inflammation and stop the cough.

Like a soothing, healing poultice one costly substance in this home made mixture spreads itself completely over the membrane of the throat. This causes the most stubborn cough on cough to cease almost instantly. No ordinary slow-acting cough syrup contains this expensive ingredient.

It's a mighty fine remedy for chest colds and acute nasal catarrh, and remember that any remedy that overcomes catarrh, partially or wholly, is bound to be of benefit to those who are troubled with head noises and earlateral deafness.
