**FOUND HUMAN FOOT.**  
Last Monday when Ernest and Albert  
Maxwell were playing on the shores of  
Courtenay Bay the former noticed a foot  
and part of a limb of a human being.  
They placed it in a wooden box and  
carried it to police headquarters. It is  
thought that it drifted from the sea. The  
bone appeared as if the leg had been  
amputated as it looked as if it had been  
sawed or cut with some sharp instru-  
ment.

### LOCAL NEWS

The Canadian Imperial League, Ltd., has secured a lease of the upper flat of the G. W. V. A. hall.

The rally services in Main street church closed last evening. Rev. A. L. Tedford gave an address.

The special order of 10,000 sphagnum moss dressings was completed last evening, with a liberal margin to the good.

Following the arrests made in the C. P. R. west side yards yesterday, inspectors searched a house in Fairville last night and found goods to the value of \$500 believed to have been stolen.

At a gathering at the home of L. Cohen last evening a silk umbrella was presented to Mitchell Bernstein, who has resigned as manager of the Famous Players Film Agency to assume the management of the Gaiety Theatre in Main street.

Application has been made by a large New York concern for a suitable site on the St. John harbor front for a warehouse depot. They propose to bring the material here in tank steamers, pump it into tanks and put it up in packages for shipment. Commissioners Bullock has offered tentatively a site which seems to be suitable.

When Inspector Garnett tried to take a bottle of liquor from a returned soldier in a Mill street restaurant last evening the soldier drew a pistol and forced the inspector to hold up his hands while he made his escape. With the assistance of several policemen he was arrested shortly afterwards in another restaurant.

In view of the health regulations, the Y. M. C. A. junior department plans have been entirely remodelled. The school holidays make it more necessary than ever to provide for the boys' spare time and the regulations made it necessary to limit these activities to outdoor sports. Arrangements have been made for outdoor volley ball, basketball, baseball, signalling and walks.

A. S. McAllister, maritime secretary of the Y. M. C. A., arrived in the city yesterday in connection with the getting ready of the new "Triangle" building on Charlotte street. Capt. A. A. Campbell will take over the military work in the maritime provinces. T. A. McDonald, who had been in charge of the "hut" at Sussex, had been transferred to Fredericton. In Halifax dockyard a "hut" for the men of the navy, the first of its kind in the empire, has been opened.

rived safely after spending two years overseas. While convalescing in England, he visited Mr. and Mrs. V. Gilbert of Sutton, Surrey, the parents of Mrs. Edith Anderson of this city. Private Carey went over with the 287th Construction Battalion and was transferred to the 288th in France.

Dyas F. Morrison, who went over with the 7th Siege Battery is among the returned soldiers who have been welcomed home this week. He was wounded at Vimy. He is spending a few days with his sister, Mrs. Percy Manchester, Fairville, before returning to his home in Pictou, N. S.

## THANKSGIVING

If there is a nation on the face of the globe that has abundant reason for feeling the deepest sense of Thanksgiving, it is this glorious country, Canada, in which we live.

While many of our noble Soldier Boys have shed their blood and made the Supreme Sacrifice in order to establish and sustain the principle of "Freedom for All Forever," at home we have not been denied the comforts of life or suffered from devastation or famine.

For these many blessings vouchsafed to us during these trying days—LET US BE THANKFUL.

People that have worn our Shoes have given thanks that they have found such Satisfactory Service—and so, why shouldn't we call them—
