Included in the mail were 81 bags of letters and 54 packages of parcel post for maritime points. The voyage across the Atlantic was uneventful.

Scout Is Greeted.
On the arrival of the steamer L. L. Johnson, district secretary of the Boy Scouts, and several members of St. John's Troop, No. 5, were on hand to welcome Steward Bence, who is a first class scout attached to Earl Stanford's own troop at Bowden. He is en route to Tilbury, Ont., where he will make his home with his uncle and aunt. He said he had been looking forward with pleasure to his trip to Canada and intends to become attached to the Boy Scouts in Tilbury.

Among the passengers were four members of the Canadian naval cruiser H. M. C. S. Naden. They were Lt. Col. V. Jones, A. Chalk and G. Gibbons, all natives of Victoria, B. C., who had been to England taking a special naval course. Prominent among the passengers were Lt. Col. F. H. Dunham of Toronto, M. Legrand of Poissy, France; Lt. Col. L. P. O. Tudor and wife of Regina, R. F. Taylor and E. B. LeMare of St. Helens, Miss M. Purvis of Woodstock, N. B., and L. H. B. Tingley, R. C. N., of Wolfville, N. S.

Cadet Officer Returns.
Colonel Tudor is returning to Regina after spending two months visiting relatives and friends in England. He is district cadet officer in Regina and was formerly with the 5th Canadian Battalion. He said from all indications conditions in England are picking up and the day should not be far distant when former prosperous times will return. M. Fife-Smith of Vancouver, was another prominent passenger who is returning home after visit to England and France. He is a large lumber operator on the Pacific Coast and combined business with pleasure during his trip. Speaking of his visit to France, he said the work of reconstruction is being carried on in a highly efficient manner. In Rheims the famous cathedral which was destroyed before they fell a prey to the shells of the Germans are back in place.

Many Children Aboard.
On the steamer were many children and when the passengers landed they were taken to the nursery where some were tucked away in little beds, while others were treated to milk, cakes, etc. Their mothers were also served with hot drinks and made comfortable during their stay.

The passengers were sent forward to their destination in two special trains which left West St. John before noon.

HAD EXCITING TIME ON BIG GAME HUNT

Captain D. M. Hamm, of Nanaimo, Ont., was a passenger on the Canadian Pacific steamship Montcalm, which arrived here this morning from Liverpool. He is attached to the Indian army, being in command of the second and third Madras Regiments, and is returning to his home on 10 months' leave of absence after four years' service. At the present time, he said, conditions in India are quite settled and no uprisings were anticipated.

Big Game Hunt.

Prior to his departure for Canada he learned that a clergyman had been killed while tracking a tiger he had wounded in the jungles. Shortly before leaving India he went on a hunting trip in the jungles and succeeded in killing a panther. He brought the skin some with him and will give it to relatives as a souvenir. His first shot had only wounded the ferocious animal and he was forced to climb a tree to escape as the animal was descending and he feared the panther would take cover and leap on him before he would have a chance of killing it. He remained in the tree until daybreak and then tracked the animal and found it had been mortally wounded and had died during the night. Captain Hamm left this morning on one of the C. P. special trains.
