**3 New Gas Range Features**

MORE convenience, more economy and less labor are now possible in gas cooking by the introduction of three new features in McClary's Gas Range.

The first is the porcelain enameled oven lining—smooth, cleanable and sanitary. This durable lining resists the action of sulphur fumes and dampness. Rust proof!

Another is the one-piece porcelain enameled top which improves the appearance of both range and kitchen.

The third is the unbreakable Pyrex glass door with thermometer attached to regulate cooking.

McClary's Gas Range has always given utmost satisfaction and these three new features make it even more desirable.

**Bon Ami**

Keeps linoleum  
and Congoleum  
looking like new

#### Principal uses of Bon Ami

for cleaning and polishing  
Bathrooms, Tiling, Windows  
Fine Kitchen Utensils, Mirrors  
White Woodwork, Refrigerators  
Aluminum Ware, White Shoes  
Brass, Copper and The Hands  
Nickel Ware, Linoleum and  
Glass Baking Dishes, Congoleum

Have you tried cleaning your linoleum and Congoleum with Bon Ami? You'll be surprised to find how swiftly and easily this soft, scratchless cleanser brings results.

Just sprinkle your floor with a little of the Bon Ami powder—and go over it with a well dampened mop. Then wipe it off with your mop wrung out in clean water. The pattern re-appears as fresh and bright as new!

Bon Ami blots up all grease and grime with a gentle absorbent action that cannot harm even the most delicate surface. That's why it's good for all the purposes listed above. And for the same reason it never reddens or roughens your hands.

### Here's the Secret of my Success!

Whenever the recipe calls for milk, Nestlé's Milk should be used diluted with equal parts of water. It will give a finer, richer flavor and more nourishment.

While Nestlé's is pure cow's milk, it is better than ordinary milk because

it contains more butter fat. It is twice as rich in cream as bottled milk and it is absolutely safe and clean.

Try Nestlé's Milk. Use it in your cooking and on the table, for tea and coffee, puddings and cereals. Dilute it with water for the children to drink.
