WIFE OF DANIEL CLEMENT PASSED AWAY LAST SATURDAY.

The death of Mrs. Clement, wife of Daniel Clement, occurred at the family residence, Crampton, on Saturday last. Deceased was aged 72 years, 10 months and 5 days and had been ailing for some months past. The immediate cause of death was a paralytic stroke. The late Mrs. Clement came to Canada with her husband from the County of Hampshire, England, in 1872 and has resided in this vicinity ever since. She leaves a husband, two sons and six daughters and great-grandchildren to mourn her demise. The funeral took place on Monday to the Avon cemetery and many friends attended to show their last tribute of respect to a departed neighbor and friend.

The regular monthly meeting of the Ladies' Aid of King street church will be held on Thursday afternoon, instead of Tuesday afternoon, at three o'clock, at the home of Mrs. A. Macaulay, Union street.

CURED OF CHRONIC DIARRHOEA AFTER TEN YEARS OF SUFFERING.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Ingersoll, of Martintown, Ont. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of this wonderful medicine. Thus remedy is for sale by all druggists.

Drop into the office and leave us your address, and we will mail you the Daily Chronicle to your summer cottage.
