Espresentative and Champion of American Art Taste. FEOSPECTUS FOR 1875--- EIGHTH YEAR

THE ALDINE, THE ART JOURNAL OF AMERICA, ISSUED MONTHLY.

MAGNIFICENT CONCEPTION, WONDER

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The suce saive failures which so invariably allowed each attempt in this country to establish an art journal, did not prove the indiff r ance of the p-code of Am rica to the claims of high art. So soon as a proper appreciation of the want and an ability to meet if were shown, the public at one radied with eathu a asm to its support, and the result was a grea

While other publications asy claim sup rior chempiess, as compared with rivats of a similar class THE ALDINE is a u ique and original concepcion-alone and une approached—absolutely withou competition in price or character. Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herts found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BrYEMAR" Our answer is, that they runove the cause of disease, and the patient recovers his health. They are the great bleed purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the wealth has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease, man is heir to. They are a gentle Purgative as well as a Tonic, relieving the greation of Infammation of the Liver and Visceral Organs, in Billious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicin and avoid the use of alcoholic stimulan in every form.
R. H. McDonalid & Co.,

mgjiste and General Agents, San Francisco, Califor and cor. Washington and Charlton Sta., New York Sold by all Bruggiste and Benlers

No Person can take these Bitters secording to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim Virgoan Birrans the most wonderful Invigorant that ever sustained the sinking system.

Billone Benifitent and Intermit.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Oumberland, Arkansas, Red, Colorado, Brasos, Rio Grande, Pearl, Alabama, Mobile, Sevannah, Roanoke, James, and many others, with their vast tributaries, throughout ou entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscora. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartie for the purpose equal to Da. J. WALKER'S VISBGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive ergans. Bilious, Remittent, and Intermit-

ergana.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Disziness, Sour Eructations of the Stornach, Bad Taste in the Mouth, Billions Attacks, Palpitation of the Heart, Indiamation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Costre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Euptions, of the Skin, Sore Eyes etc., etc. In these, as in all other constitutional Diseases, Walker's Vinscan Birrans have shown their great carative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic
Eheumatism, Gout, Bilious, Remittent
and Intermittent Fevers, Diseases of the
Blood, Liver, Kidneys, and Bladder, these
Bitters have no equal. Such Diseases are
caused by Vitiated Blood.

Mochanical Diseases.—Persons eagaged in Paints and Minerals, such as
Plumbers, Type-setters, Gold-beaters, and
Miners, as they advance in life, are subject
to paralysis of the Bowels. To guard
against this, take a dose of Walken's Vizman Britzman occasionally.

For Skin Diseases, Eruptions, Tetter,

For Skin Diseases, Eruptions, Tetter, Balt Rheum, Blotches, Spots, Pinaples, Pusteles, Boils, Carbuneles, Ringworms, Seaid Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a sheet time, by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities, will free the system trum worms like these Bitters.

For Female Complaints, in compared, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Jaundice,—In all agess of jour hee, resimprovement is soon perceptible.

The only semable treatment is to promote the secretion of the bile and favor its removal. For this purpose are Virman Birthers.
