This bill is of particular to appoint a registrar of the public municipality of Oak Bay a good supply concern in Victoria, of course, as the great majority of those who would be superannuation fund and of the man-through, the city would again withdraw

It was pointed out that this would be loor of the House

The mayor said ex-Reeve Oliver was not working for Oak Bay, but for the Esquimalt Water Works Company, in which he held shares. Oak Bay wanted to compel the city to supply water at the boundary. It was his opinion, however, that the city would refuse to be the milch cow for the surrounding municipalities.

would if enacted this session, but the welopment League that a meeting be for the action of the Oak Bay municulates in it will be changed to suit held for the purpose of taking immediates in it will be changed to suit Ald. Turner said the reason given him velopment League that a meeting be for the action of the Oak Bay muniate action to secure connection on this their pipes unless they guaranteed

The mayor explained that if there was a shortage of water Oak Bay would be able to get a supply at the expense of the city. He did not think it There is now under consideration a scheme to charter a special train to would be right to jeopardize themselves in order to build up Oak Bay. He thought they should withdraw the bill if the clauses were attached to the bill. They all wanted to give Oak Bay a fair meeting the Nanaimo members in a deal, but they did not propose to be held up.

Ald. Turner wanted to know if they were under any legal obligation to supply Oak Bay with water. He was asured by the other aldermen that they vere not, and that Oak Bay used some-

thing like three million gallons.
"What is wrong with cutting them off and letting them fight it out with the legislature?" inquired Ald, Turner. Why was it, he continued, that he could way is still in progress before Chief not get water for more than two hours what would have been the government's contribution had the act been case is one where damages are sought
