AN UNTRUE STATEMENT EXPOSED. Hon. Mr. Bair as a matter of rivilege, called attention to a report that appeared in the Gleauer newspaper, in which it wastated that Mr. Howe had escorted Rev. Mr. Mullin, of Stanley, to a seat on thfloor of the house at the opening of the legislature and that Mr. Mullin had beed ejected by the sergeant-at-arms by his (Mr. Blair's) orders. Mr. Blair said he had no knowledge ot Rev. Mr. Mullin having been present at the opening until after the public statement referred to appeared, he had not whatever concerning any person on the flour of the house on opening day, nor had he any communication with that officer in any way whatever on the subject. He presumed the story was published with the same object as many others in the same paperfor the purpose of prejudicing its reader

Mr. Howe explained that he had told Mr. Mullin that he might take a seat on the floor of the house, and had been informed by that gentleman, after the opening, that he had been ordered out by the sergeant-at-arms, after that officer had consulted with Mi. Blair. He (Mr. Howe) wished to be under-Mullin taking a seat on the floor. He also wished to say that after the statement Me Blair had just made, he must assume tha Mr. Mullin was in error when he stated th he saw the sergeant-at arms speak with M. he was and order him out.

Mr. Howe again brought up the case of Rev. Mr. Mullin, stating that the official report of Saturday's proceedings did not fully express the views he had in his mind when he rose to a question of privilege on Saturday. If through a want of knowledge of the rules he had exceeded his duty in inviting Rev. Mr. Mullin to the floors of the assem bly, he wished to take the full responsibility
