

Police Court Cases Yesterday

Full House Dealt up to the Magistrate—As Prisoners Were Dealt With Others Arrived—Police Constable Charged With Selling Liquor.

The proceedings in the police court yesterday afternoon were often interrupted by the siren of the police patrol announcing its arrival at the doors of the 'lock-up, six drunks being brought in within the space of half an hour.

"I claim to be no prophet," remarked Magistrate Ritchie, "but I said how it would turn out. We lift our hands in holy horror at the crime of drunkenness, but no notice is taken of the wave of immorality and vice that is sweeping over the land. A man can leave his wife and live with another woman, and a woman can have three or four husbands. It is all right to break in and steal, as long as you don't get drunk. That is the greatest crime of all."

Richard Hoag, police constable, was charged with selling liquor to two women. He pleaded not guilty to the charge and the case was allowed to stand over to next Wednesday.

In the case of Frank Murphy charged with stealing a number of articles from the home of John Murphy, Mac Williams, clerk in a second hand store on Dock Street identified two rubber coats which he bought from Frank Murphy for a dollar and a half on the 15th of May.

John Murphy took the stand and said that the coats were taken from his house between the 15th and 19th of May while he and his wife were absent. In addition to the coats, which he identified, a hand saw and ripping saw, small plane, and some bedding were also taken. The house showed signs of having been ransacked from top to bottom. The value of the goods was between \$25 and \$30. He did not know the defendant, who was no relation of his.

Detective Biddiscombe said he located the missing articles in Williams pawn shop after being notified of the burglary. The prisoner was remanded.

In the case of Patrick Mallory charged with a serious offence, evidence was given by a little girl and the prisoner was remanded.

Seventeen prisoners were charged in the morning court. Fourteen pleaded guilty to drunkenness and were remanded. One was taken to the hospital.

A charge of furiously driving a horse while under the influence of liquor and damaging property to the value of \$10, was preferred against John Griffin. F. C. Wesley preferred an additional charge of damaging his car.

The complainant said that his wife was driving the car and he told her to give a team, which was coming at a furious rate, lots of room. Despite this precaution, the shaft of the carriage struck the hood of the car and damaged it. Police constable Totten stated that the accused was under the influence of liquor when arrested by him. The case will be taken up next week.

John C. Berry, charged with being drunk and impeding pedestrians, was fined \$108 or eleven months in jail.

Frank Murphy, arrested on Wednesday night and held for investigation, was charged with stealing two pairs of rubber boots. The case was postponed until Monday.

Walter Straight, charged with wandering about in Prince William street and not being able to give a satisfactory account of himself, was remanded.

A youth was returned to his quarters in the Boys' Industrial Home from which he had escaped.

THE BOY SCOUT QUESTION SETTLED

Matters Pertaining to the Winning of the Thorne Trophy by Trinity Troop and Centenary as a Close Runner-up is Explained.

To the Editor of The Standard: Dear Sir:—The article which appeared in your issue of the 27th was unintentionally misleading.

The Thorne Cup was unquestionably won by Trinity Troop on its merits, as they clearly made the highest marks.

While the information in your article of the 27th was obtained from a reliable scout official, a wrong impression was conveyed on certain points and there was no intention to belittle the work and success of Trinity, but to give encouragement to the other Troops who were runners-up.

Biggest Gathering of Boys' Work Men There is in session this week at Blue Ridge, North Carolina the Second Assembly of Association Workers with Boys.

This conference began on May 19th and will close tomorrow. There are about 85 delegates from all parts of the world, but the most of them, of course, are from the United States and Canada.

Nearly all of the workers are Boy's Work Secretaries in connection with the Y. M. C. A.

The First General Assembly was held at Culver Military Academy, Culver, Indiana, in May 1913. It was so successful and marked such a definite advance in Boy's Work that it was unanimously decided to hold such a gathering once every five years.

The Second General Assembly was to have been held in 1918, but was postponed on account of the war.

The purpose of this assembly is as follows: (1) In the light of the world conditions of today to re-educate and define the task of the Y. M. C. A. in its work with boys.

(2) To define the proper principles and the most effective methods of accomplishing the task.

(3) To stimulate, strengthen and enrich the mental and spiritual resources of Association workers with boys.

The Assembly is to be held in the buildings and grounds of the Y. M. C. A. used for its various summer schools in the whole southern territory. These are located in the Blue Ridge Mountains, far from the noise and tumult of the city, with beautiful buildings, well laid-out grounds, superb natural scenery and all at an elevation of 2700 feet.

Under these surroundings for twelve days the Boy's Work leaders of the continent will gather for fellowship, conference one with the other, inspiration to face the tasks in a large way and the enrichment of their personal lives.

The following men from Canada are in attendance at the Assembly: D. R. Poole, E. B. Reynolds and G. F. Flewinger, of Winnipeg; W. A. Miles, of Ottawa; Frank Weston, of Hamilton; Taylor Statten, W. H. Vaughan, J. P. Hagerman, W. Fongie, Geo. Patterson, P. R. Hayward, Chas. Schell, W. R. Cooke, of Toronto; G. P. Brand, Don McLeod, John Birdford, J. G. McKinnon, of Montreal.

As a matter of fact, Trinity Troop is not older than many other Troops, and the number of badges won by them in the previous year would not be in their favor, as it left them fewer badges to compete for last year.

At a meeting held last night between officials of the Local Association and the Court of Honor of Trinity Troop, the whole matter was satisfactorily adjusted, and Trinity Troop Court of Honor, after hearing the explanations, passed a resolution to the effect that they would accept the Thorne Cup.

The number of the first four Troops were as follows: Trinity, 20 p. c.; Centenary, 65 p. c.; St. Luke's, 76 p. c.; Mission, 76 p. c. (Signed) D. H. LOWETH, Scoutmaster, On behalf of Trinity Troop, A. O. SKELTON, President, On behalf of the Local Association.
