To His Honor, —  
Gt. Governor of Manitoba &c

Sir,

We the undersigned Saulteaux  
Indians at Fort Ellice, having  
seen a surveyor here making  
out & posting off land, wish  
to inform your Honour that  
we have never been a party  
to any Treaty already made  
to extinguish our title to  
land which we claim as  
ours, from Shoal Lake, on  
Oak River, westward, to ten  
miles, west of Fort Ellice,  
and therefore cannot under-  
stand why this land should  
be surveyed —
