In the home nest every little one requires an ever watchful eye and when a trace of illness is noticeable the remedy should be promptly applied.

The little ones are frail. Their hold upon life is slight. The slightest symptom of trouble should be met by the proper corrective medicine.

Baby's Own Tablets are a scientific preparation, prepared from Dr. Williams' own prescription and have proved by their record and their success to be the ideal medicine for infants.

For Sour Stomachs,

colic, fever, constipation, all bowel troubles, irritation accompanying the cutting of teeth, sleeplessness and similar symptoms these wonderful tablets are without an equal.

Every mother should use them for the very good reason that they do not contain opiates or stupefying drugs.

They act directly upon the organs which cause the troubles and gently but effectively remove that cause and bring back the condition of perfect and hearty health.

Baby's Own Tablets have a record surpassing that of any other medicine making similar claims.

Ask the druggist for them. If you do not find them, send 25 cents direct to us and we will forward a box prepaid.

Rheumatism

After 2,000 experiments, I have learned possible. But I can cure the disease always, at any stage, and forever.

I ask for no money. Simply write me a postal and I will send you an order on your nearest druggist for six bottles of Dr. Shoop's Rheumatic Cure, for every druggist keeps it. Use it for a month, and if it does what I claim pay your druggist \$5.50 for it. If it doesn't I will pay him myself.

I have no samples. Any medicine that can effect Rheumatism with but a few doses must be drugged to the verge of danger. I use no such drugs. It is folly to take them. You must get the disease out of the blood.

My remedy does that, even in the most difficult, obstinate cases. No matter how impossible this seems to you, I know it and I take the risk. I have cured tens of thousands of cases in this way, and my records show that 30 out of 40 who get those six bottles pay, and pay gladly. I have learned that people in general are honest with a physician who cures them. That is all I ask. If I fail I don't expect penny from you.

Let me send you an order for the medi-cine. Take it for a month, for it won' harm you anyway. If it cures, pay \$5.50. I leave that entirely to you. I will mail you a book that tells how I do it. Simply state name of your dealer, and address Dr. Shoop, Box 11, Racine, Wis-

"OH, THE AGONY OF IT!"

Has been many a poor Rheumatic's wall until he does as Mr. Eades did, gives South American Rheumatic Cure a "faithful trial"—it never fails,

Fred E. Eades, 424 Sully Street, Toronto, says: "I think South American Rheumatic Cure is the greatest God-send that sufferers from rheumatism have ever had put within their reach. I suffered so in my wrists and ankles that in two years I was only able to do three months' work. I took hospital treatment for nine months without relief, but a faithful trial of South American Rheumatic Cure permanently cured me." Relief

EVER FELT THAT DEATH **WOULD BE WELCOME?**

Mrs. Margaret Smith often did until Dr. Agnew's Cure for the Heart gave her a new hope and cured her heart.

"I was for two years a great sufferer from heart trouble. At times I was confined to bed, at times my pain was so intense that I would have welcomed death with joy. I was attracted to Dr. Agnew's Cure for the Heart by reading of some wonderful cures wrought by it. One dose gave me relief in 30 minutes. After using four bottles I can truly say I never felt better in my life."—Margaret Smith, Brussels, Ont. 59

"CURED TO STAY"

is the universal testimony for South American Nervine, and what it did for Mrs. Armstrong it will do for any woman living.

" For one who has suffered as I have for over "For one who has suffered as I have for over six years from nervous prostration, and having spent nearly all I possessed in doctor bills with-out any permanent relief, you can imagine what a God-sent blessing I feel South American Nervine has been to me. The first few doses gave me great relief. It took six bottles in all to cure me, but I feel I am cured to stay cured."

"JUST AS GOOD" when it means a substitute for Dr. Agnew's Ointment.

There are cases on record where men and women too have suffered unspeakable tor-ture from piles; where all kinds of remedies have been applied; where the surgeon's knife has been resorted to as the only hope; where electricity has tried its good offices, but without any permanent cure; and Dr. Agnew's Ointment, as the last resort, has proved its magic—one application has given relief. There is no other "just as good." Don't take chances.
