ugsley Outlines Plans

Passes Vote of 60,000 Towards the Dredging

of Public Works Announces That G. T. fc Has Bought Termi-Site at Courtenay Bay Development Will eed When Company Plans.

April 1.-The development of harbor and the development of Bay were discussed in the comand a substantial vote for the put through. on of Sir Wilfrid Laurier the providing for morning sittings with Monday, until the end of

n, was adopted. Ifrid said there would be some ary estimates, a resolution reaving docks, a renewal of some bsidies, but no new railway sub-ild be granted, resolutions re-Ottawa Improvement Commi egislation affecting judicial ap-

m of \$450,000 for dredging in harbor, Hon. Dr. Pugsley said Frand Trunk Pacific had not yet its plans for terminals in Courand plans for harbor facilities consequently, not yet been sub he vote this year was intended ng on the western side of the rbor, though possibly, if i necesasry, some work might i the eastern side.

to Hon. Mr. Emmerson, the aid that the borings taken in Bay were not yet all completed been shown that thirty-two feet at low tide could be obtained dging any material other that contract would be entered into rk in the bay until the completed he G. T. P. had been submitted

oved by the government. sley could not say whether in the bay would be done by t dredges or by contract, but, he preferred the principle of vernment dredging by govern

nay Bay Development.

ley, in reply to Dr. Daniel.said of this \$450,000 vote would Courtenay Bay unless there er vote in the supplementary This amount would be too both portions of the harbor, y, Dr. Pugsley said he was in spending money for the develop-Courtenay Bay, provided the unk Pacific carried out its inten-

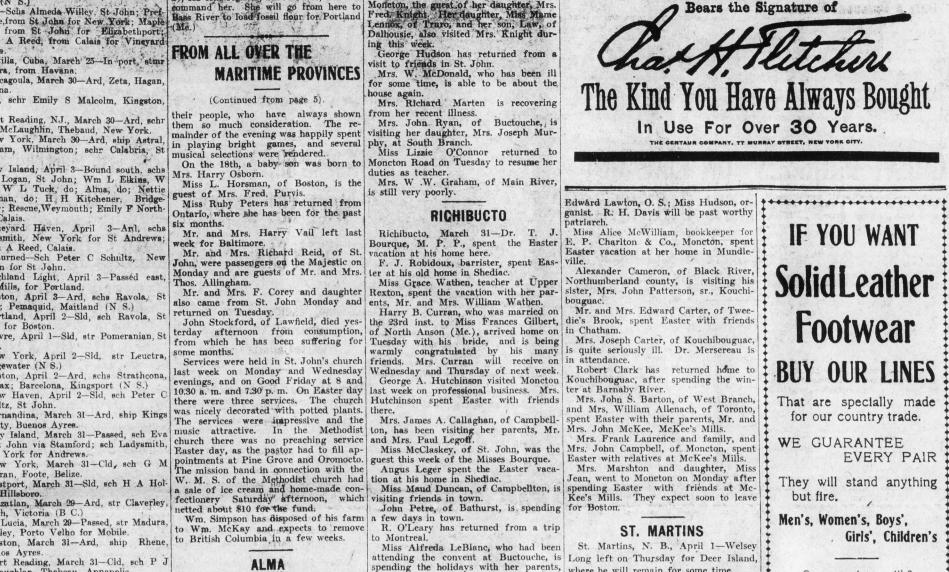

naking a terminus there. ohn Haggart said the ministe to make a contract for Coury dredging, as he had done last a St. John harbor vote. Courtewas not a part of St. John har-

What is CASTORIA

Mr. Pugsley said Courtenay Bay art of St. John harbor. There arves upon it and vessels of a s had made use of them for many

Ir. Haggart wanted to know how ould be spent to carry out the plans for St. John. Dr. Pugsley said that would be av. The harbor had been develophe winter port business began in

ies and there had been dredging f building going on ever since. Eighteen Wess Side Berths.

Borden, he said that there were amship berths on the west side hn harbor and the government ing two more, which would soon eted, making eight. There was a h was being carried out for wharf ion down the Beacon Bar which e ten more berths, making a total n. When these were provided it e found there were sufficient facili-commodate the trade without furtruction

orden wanted to know if the runk Pacific had decided to go may Bay.

Has Bought Courtenay Site.

igsley-I have been informed by the company that they have ntract for the purchase of land ore rights from Messrs. Gilbert ad of Courtenay Bay. I am not ut have been informed that the be seventy-five acres of land at of the harbor and the foreshor the tide flats will cover a very ger area and would amount

o acres. , niel said it had been stated that the area to be acquired of the harbor would amount ne acres and the foresh

hirty-five acres. zslev said this was an unde t, according to his information odd asked Dr. Pugsley if the ha ties on the west side would no late the Grand Trunk Pacific. 1 I it would save the country th unt of money which it was prospend in developing Courten.

rsley said the Grand Trunk ngineers had reported that the facilities would not be sufficient trade and for that of the Cana ic, which now used them. Then the west side the Grand Trunk ould have to use the C. P. R. d there were always difficulties plan as that. an, Liberal, condemned work ent dredges. He stated that for al cost and the expense of main-he Fielding did not appear to gh material

iel said the Fielding had been exposed to the swell of the Bay

asley declared that the Fielding engaged in difficult work She ting to a great depth, and where s a heavy tide. No dipper dredge done as well. m carired.
