Men born blind can't be carpenters, because they never saw.

Freeman's Worm Powders are put up ten powders in a package, each powder containing one dose for a child under three years of age, which makes it one of the cheapest Worm Medicines in use, as they are prepared wholly from a vegetable compound, and are universally admitted to be a safe and certain remedy for all kinds of worms. They are free from all minerals, and quite pleasant to take, and are recommended by the medical faculty.

And sitting on my knee;
I'd kiss your smiling lips, love,
To all e-ter-ni-tee.
