OWEN SOUND

We are glad to report that Rev. H. Logan is able to attend his pastoral duties after having been under the doctor's care for more than two months. He is still yet taking doctor's treatment, but the good Lord has been very merciful to him and has spared his life and he is able to preach the Gospel of Jesus Christ once more. Rev. Logan has been a faithful worker in our city among his people, both spiritually and financially. He has assisted in financing the B. M. E. Church at Owen Sound, with the co-operation of the officials' board and members of the B. M. E. Church and our white friends, and especially with the co-operation of Brother H. Woodbeck, who we are sorry to say is going on the waters of the Great Lakes. His services will be missed very much in our church work. He has worked hard with Rev. H. Logan and the members and officials to pay off the debts of the B. M. E. Church. The amount of money raised from January 1, 1928, to largest amount of money ever March 31, 1928, was \$575.59, the raised in the history of the B. M. E. Church at Owen Sound in such a short time. God has wonderfully blessed the work of the few co-workers, only 17 members in the B. M. E. Church, but our white friends are very generous and come to our aid in time of need. Rev. Logan's preaching has been very good, but we are sorry to report there has been no converts as yet. But we are praying for the outpouring of the Holy Spirit upon the hearts of our young people. Pray for Rev. Logan that he may open his mouth boldly to preach the gospel of Jesus Christ and that he be spared with good health to do the work of the ministry and that many souls may be saved through his preaching the Gospel.

Messrs. George and Carrol Woodbeck left their home here to go to Port Arthur, Ontario, to take charge of their boat. We wish them a prosperous season and safe return home again.

Mr. Allen Patterson, Ted Miller and Ed. Green have gone to Buffalo, U. S. A., to commence fitting out their boat. We missed them very much in our church work here. We pray that they may be kept from evil and a safe return home again.

Mrs. F. Talbert gave a party to her daughter, Miss Mary S. Talbert, on Monday, April 2, 1928. There were about 35 present. They spent the evening in music and dancing and at midnight a dainty lunch was served by Mrs. Talbert, assisted by her daughter, Miss Mary S. Talbert, after which music and dancing was indulged in until 2 o'clock in the morning. All report a good time on April Fool night.

Mr. and Mrs. Clifford Johnston had their two children operated on for tonsillitis. The operations were successful and they are around again. Alma and Clarence are looking fine at this writing, although their mother has been confined to her bed with a gripe, but is much better at this writing.

Mrs. J. White is moving off the hill where she has lived for 19

years down on Second Avenue East, in the 1,300 block. We were sorry to see her move. We miss her in our neighborhood, but wish her well in her new neighborhood.

MOLOK—In affectionate and loving memory our dear auntie, Mrs. Sarah Allen Molok, who passed peacefully away Easter Mondy, April 18th, 1927.

We often sit and think of her when we are all alone,
For memory is the only friend that grief can call his own.
Like ivy on the weathered oak, when other things decay,
Our love for her will e'er stay green and never fade away.
—Niece and Nephew.
