

Imagine an entertainment where every performer is a star and every number a selection of your own. That describes the entertainment of

The EDISON PHONOGRAPH

You need not dress for it, go out after it, arrange your time for it or pay for admission to it. It takes place in your own home, at your convenience, as often as you like.

You listen---that is the extent of your effort---and---when you listen to the Edison you hear the greatest artists in the kind of music or other entertainment you like best.

You hear Eleonora de Cisneros, Slezak, Martin, Constantino, Marie Rappold, Carmen Melis and many others in Opera. ¶ Such violinists as Albert Spalding and Kathleen Parlow. ¶ Such entertainers as Ada Jones, Stella Mayhew, Billy Murray and others of the funniest people from vaudeville. ¶ The famous bands and orchestras. ¶ And what you hear is not cut or hurried, because it is brought to you on the long-playing Edison Amberol Records.

There are Edison dealers everywhere. Go to the one nearest you and ask for a free demonstration, or write us for complete information to-day.
