CHEMICAL ENGINEERS

Help Us Feed A Hungry World

In a hungry world, agriculture is a man's most vital concern. And in North American agriculture, CF Industries is one of its most vital resources. We serve farmers as a major manufacturer and distributor of chemical fertilizers - 10 million tons annually, in fact. Our distribution network represents the most sophisticated on our continent, and we're committed to developing nature's resources ethically and using them efficiently, because natural resources are the key raw materials in our manufacturing operations. In all, our products and services play a key role in feeding a hungry world.

To fulfill the ever-increasing plant food demands we face, CF Industries is developing new technical strategies and enhancing its professional engineering forces like never before. Now among Fortune's top 300 companies, our growth opens up exciting career possibilities for graduating engineering professionals in CHEMICAL ENGINEERING. These will be process engineering positions located at our Medicine Hat, Alberta ammonia facility.

As you help us make the world a better place to live, you will also enjoy a highly competitive salary and complete benefits program. We welcome your inquiries and, hopefully your talents. Plan to meet with our Employment Representative at the placement office on:

Dec. 3rd, 1981

If unable to attend send resume to: Manager Corporate Placement:

CF Industries, Inc.
Salem Lake Drive
Long Grove, IL 60047

An Equal Opportunity Employer M/F

DOGNUTS

Edmonton by K. Bushing

I'm sure you've all heard the latest hit single "Abuse" by that well known New Wave group *The Police*. It's great, it's catchy, it's on their new "Mistaken Entry" album, and it's supposedly based on life in Edmonton.

The West

Whatever happened to winners? It just seems like Divine Right doesn't work any more. The 22 point favourite Esks just barely managed to pull off a win in the last 6 seconds. The Manitoba New Democrats knocked the mega-stuffing out of Sterling Lyon's Conservatives. The "New Conservative Economics" of Ronald Reagan turn out to be diddled figures. I wonder if strategists for Peter Lougheed and Allan Blakeney are reconsidering their Spring election plans? Of course, this trend would bring stars to Nick Taylor's eyes if it weren't for the Budget (and the death of Liberalism in Manitoba). Last I heard, Nick was checking the voters list for Barrhead and crossing off all the investors, landlords, homeowners, farmers, ... Alberta

In response to Cec Purves revelation, in discussing the problems of high-speed chases, that he once accompanied the Edmonton City Police on patrol, the Alberta Association of Crooks, Speeders and Other Deviates is talking about offering aspiring politicians a chance to participate in an actual high speed chase. In this program you will be put in a stolen car with a psychotic driver for runs of up to 100 mph in the city of your choice. Send your favourite Cabinet Minister.
