To Sue A (My true love): I just heard that you're not going out with that "new kid" Mike anymore. This makes me very "HAPPY" because it gives me a chance of getting you. Sorry about not calling lately and I'm sorry for some of these calls I gave you - I just had to hear your voice. You mean so much to me. I have seen you every night in my dreams. I want you so bad Sue, maybe we can get together some night - either we could go to a movie or SEX or something. It would be fun.

Love,
Tim C.

Jane,

To the Sleepy Civilian,
Thanks for the other night - I had a great time! You are much more fun when you're awake. Looked for you on Saturday night, but our paths never crossed. Hope to see you at the Last Class Bash. (maybe I can keep my boots on this time?)

Your Artsie Friend.

To Darren in Psyc. 2203,
We hope that we did not offend you, and your girlfriend (?). We thought

that we would give you a hint as to who we are, if you are interested! If you ever get sick, we certainly would love to nurse you back to health. Would you prefer a blond or an auburn haired nurse. hint! hint! P.S. we sit separately:

The case of the Phantom Christmas - tree has finally been solved, and, give or take a few minor casualties, it was returned in the same way it was "borrowed". Oh yeah, Merry Christmas to you too!

Dear Grinch:
Thanks for ruining my Xmas spirit. Thanks for stealing my only form of transportation. It is really sad that you cannot focus your energies on doing something positive for society. Return of my bike to its former location would be greatly appreciated.
