

# Interfac Roundup

by Chuck Moore

The shock of low or high Christmas marks should be over by now and we can get into the 1971 interfac sports schedules.

The interfac hockey schedule started out on the wrong foot. There were three defaults out of the five games that were slated for Jan. 4 and 6. There is a penalty for defaulting a game. One point is deducted from the defaulting team's previously amassed points. The final results can be seen by the Science "A" team's record, who

have lost all of their accumulated points.

There have been eleven defaults since the start of the season; Science A - 4, Pharm. Ed. - 2, Grad. B - 2, Grad. A - 1, Science B - 1, Med. B - 1. A default is called when a team does not dress a goalie or else do not ice six players (including goalie) within fifteen minutes after the game is scheduled.

A hockey team from Social Work is now entered and some rescheduling has been done. ALL of the SUNDAY GAMES will be half an hour earlier for

the remainder of the season.

Floor Hockey — will be starting soon. There will be a double knockout tournament that will probably be held on Saturdays. For more information check with your fac. rep. and also the bulletin boards.

Curling — Interfac curling will be getting under way soon. The information that I have is that there will be teams from each faculty. Each team will consist of four players from the same faculty. If more than one team is entered from a faculty then those teams must play off

to get only one representative from that faculty.

Basketball — has started again and is having much success. In league II, P. Ed. and Dents are tied for first place. In league I, P. Ed. has a strong winning team as would be expected. Please clip and save the basketball schedule that follows.

The following is a list of the standings to Jan. 6. Please clip the interfac hockey schedule on page 6 and save for later use. The legend used in the standings is win - 3 pts., tie - 2 pts., default - minus-1.

## INTERFAC HOCKEY STANDINGS

	GP	Pts
Dents	7	21
P.Ed-A	7	14
Med-A	6	12
Law-B	4	12
Engineers	5	11
