

(Mr. MacGregor's  
rejoinder to  
Dr. Arnold's reply)

OR-13 and MacIntyre.

In his consideration, however, he quite overlooks the fact that these part-time reductions  
5 worked hard~~ship~~ on Drs. Gunn, Elliott and MacBeth, every one of whom are Liberals and every one of whom promptly complained that they were politically discriminated against by Dr. Arnold in this connection.

10 The foregoing deals with 29 medical officials who have been retired, whether voluntarily or otherwise, from "D" Unit. As Dr. Arnold mentions 41 such cases, I will proceed to deal with the remaining 12 retirements, so far as I have been able to ascertain the same, after a very careful investigation.

15 (30) The thirtieth official is Dr. T.A. Wellwood who was on the chest clinic and is, I understand a personal friend of Dr. Arnold and practiced in an adjoining area in Saskatchewan, when Dr. Arnold was practicing there.

20 Fellow medical officials at Christie Street Hospital say that though he was given the status of chest specialist during his temporary service there, Dr. Wellwood was not, in fact, a specialist in that Department. It is stated, too, that there was an  
25 understanding between Dr. Arnold and Dr. Wellwood that the latter was only temporary and would be retired when the volume of work in that branch was completed.

30 It does not seem proper to urge further that, although Dr. Wellwood is a Liberal, there was any political discrimination against him; as, in fact,
