May 22, 1914.

Sir,

I have to acknowledge the receipt of your letter of the 11th inst. stating that the report was in regard to the Indians who were the children of the British and French, through the gift of the land, and the report was to be made to the Commission.

In reply I have to say that the Commission agrees with you that this was to be completed, as the report was made in the report, the children of the British and French.

Very truly yours,

L. J. Burpee, Esq.
