

- territory within which the water or the power generated from water may be sold, bartered, or exchanged:
- (j.) Direct and establish the character of the works to be constructed by each claimant, having due regard to existing storage-works, and from time to time give such directions and make such orders as they may think necessary for the improvement of any works to prevent waste and ensure stability:
 - (k.) Determine the other terms and conditions respecting the use of the water and the rights of the claimant:
 - (l.) Determine, if necessary, the date of the commencement, resumption, and completion of the works required for the diversion, carriage, storage, and use of the water:
 - (m.) Determine the date when proof of the completion of the said works and the putting of the water to beneficial use shall be filed in the office of the Comptroller:
 - (n.) When satisfied that any works are incomplete, inadequate, insecure, or wasteful of water, direct that such works be improved or altered according to plans which shall be submitted to the Comptroller under the provisions of sections 87 and 91, and that a licence in substitution of a record shall not be issued until the said works are completed:
 - (o.) Direct the Comptroller to issue an authorization to make surveys, a conditional licence, or a final licence according to the terms as set out by the Board, which authorization, conditional, or final licence, as the case may be, shall, when issued by the Comptroller, be subject to the rights and obligations of this Act granted and imposed by authorizations, conditional, or final licences issued under Part V. of this Act, except where otherwise provided in this Part or in the order of the Board; or
 - (p.) Order the cancellation of the former record.

(2.) The Board in determining the rights of a record-holder shall take into consideration the storage-works constructed by him or by others, and may grant him storage rights or not, as it may deem just.

Prior rights
acquired.

290. (1.) The rights, records, powers, privileges, and priorities which have been acquired, had, exercised, and enjoyed by any municipality or power company for the purposes of its undertaking and works under any former Act shall, so long as the same are used for such purposes, be vested in such municipality or power company, as the case may be.

(2.) Subject as aforesaid, municipalities and companies holding records of water and whose works have been approved by the Lieutenant-Governor in Council, pursuant to the "Water Clauses Consolidation Act" (chapter 190 of the "Revised Statutes, 1897"), shall, on presentation to the Board of their record and evidence of the approval of their works, and, in the case of a company, of
