

CHAPTER II. CANADIAN COPPER COMPANY.

	Page
Incorporation	31
General notes	31
Ontario smelting works	
Location.	32
Historical	32
General statement of equipment	33
Smelter site	34
Ore bins	34
Furnace building	36
Converter building	36
Reverberatory building	37
Electric sub-station	37
Sample mill	38
Laboratory	40
Other buildings	40
Power	41
Haulage and distributing system	42
Blowing equipment	43
Flue system and stacks	45
Ore, coke, and fluxes	45
Flue dust	46
Water system and pumping plant	46
Blast furnaces	47
Reverberatory furnaces	49
Converters	52
Metallurgical practice	54
Roasting	54
Blast furnace practice	55
Reverberatory furnaces	55
Converters	56
Hydro-electric plant	58
Hydraulic plant	58
Electric equipment	59
Transformer plant	59
Other equipment	59
Transmission line	59
Sub-stations	60

CHAPTER III.—MOND NICKEL COMPANY, LIMITED

Incorporation	61
Location	61
Historical	62
Victoria Mines plant	63
General statement of equipment	63
Bleichert tram line	63
Flue system and stacks	64
Buildings	64
Coke, fluxes, silica	64
Blast furnaces	64
