## **"EASTLAKE" GALVANIZED STEEL SHINGLES**

PATENTED APRIL, 1885    MARCH, 1887    JANUARY, 1894

The Shingle that others try to imitate. Has no equal in any particular.  
The "Eastlake" is in use on more roofs than all other shingles combined.  
Never fails to give satisfaction.  
Can be laid by any one.  
The only Shingle that has stood the test of time.
