

the Highland and Agricultural Society's Show at Perth in 1901, and the Kelso premium horse in 1906 and 1907. Being sired by Baron's Pride out of the celebrated mare Mary Macgregor (12861), which has produced so many prize winners, Baron's Charm is pretty certain to prove a big success in Canada. Another of these horses is Abbey Fashion (12793), a powerful big three-year-old horse, got by the Machars and Bute prize horse Fickle Fashion. Abbey Fashion had the Scone, Strathord, and Muriel premium in 1907, and is a horse of great weight and substance, likely to breed cart horses in any country. Yet a third is the choicely-bred Baron Carrick (12817), bred at Houdston, and sired by Baron's Pride out of Mr. Kerr's well-known prize mare Elsie Macdonald, whose sire was the Cawdor Cup champion Royal Gartly (6844). Baron Carrick had the Lammemoors premium in 1907, and, with his unique breeding, is pretty certain to leave his mark. The big, grand horse Medallion (12247), own brother to the Seaham Stud horse Silver Cup, is an exceptionally well-bred animal. His sire was Baron's Pride, and his dam the noted prize mare Balmiedie Vesta, by Macgregor. This big horse had the Hexham premium in 1907, and cannot fail to be a successful sire. An uncommonly good colt is Gartly Standard (13494), got by the champion Everlasting (11331) out of Gartly Forecast, by the Highland and Agricultural Society's champion horse Prince Thomas (10362), with grand dam by the Cawdor Cup champion Prince of Carruchan (8151), and grand dam by the celebrated champion horse Flashwood (3601). Allie in respect of breeding and merit, it would be difficult to beat this colt. Another very promising two-year-old was got by the Aberdeen champion horse Prince of Craigville (11461). This colt was third as a yearling at Aberdeen, where his sire has several times been first and champion stallion. The rest of this shipment, so far as colts are concerned, is worthy of the company in which they find themselves. They are got by the Kirkcudbright prize horse Majestic (11421), the Machars of Wigtown prize horse Durbar (11695), the choicely-bred horse Baron Afton (11253), another of the same class, Baron Houdston (11607), and the dam of this colt is an own sister to the great champion horse Hiawatha (10067).

Mr. John Graham, Carberry, Man., has also brought out fifteen head, specially selected for the trade in Western Canada, and sired by such horses as Baron C. Bechevie, Prince Thomas, Baronson, Marcellus, Baron's Pride. Mr. Graham also imported two Hackneys.

Mr. David Cargill, Medicine Hat, has also made a good importation of fillies and colts by such horses as Hiawatha, Royal Chatan, Baronson and Royal Edward. Included in the shipment was a stallion bred by Pride of Blacon.

Mr. John Anderson, Onemee, Ont., has imported one colt and four fillies. These are thick, short-legged, deep-bodied animals of the Sir Everard type and got by Sir Hugo and Fashion Plate.

Mr. Elijah Yale, Danville, Que., has imported the stallion, Baron Pax by Baronson.

Mr. Adam Watson, Cobourg, Ont.,

has imported the well-known horse, Tomich's Heir, by Hiawatha. Tomich's Heir has eight registered crosses of Clydesdale blood.

Mr. Wm. Mehare's importation of fillies, which is to be offered at public auction in Ottawa on Dec. 3rd, are a specially bred lot of three-year-olds and under. They are particularly strong in the blood of Baron's Pride and his sons. Two are sired by Lethian Tom, one by Matthias, and one by Moncrieffe Marquis. Others are by the Lanark premium horse, King's Crest, by Royal Blend,

Prince Victor, Argosy and Baron Beaulieu.

Mr. T. B. Macaulay, Montreal, brought out three fine fillies, one sired by Lord Lethian, another by Baron's Pride and a third by Royal Favorite.

Mr. J. J. Miller, Gorrie, Ont., has imported two colts, and Messrs. McGregor & McIntosh, Brucefield, three fillies. The colts are sired, one by Balmiedie's Queen's Guard and the other by Lord Mac. The fillies are by Baron's King, Lethian Prince and Douglas Chief.
