

RHEUMATISM

NO CURE. NO PAY.

WHEN YOU FEEL that grinding pain in your joints you can appreciate the feelings of a man burned at the stake or having his bones broken and twisted on the rack. It is merciless, sleep-destroying, agonizing. It lets up at times for an hour or two, only to turn loose again more pitilessly than ever. It leaves one joint and moves to another with doubled intensity. It eats up all your vitality, exhausts your patience and unless you conquer it by using Electricity, which is the only remedy on earth that will cure it, it may reduce you to a chronic Rheumatic cripple, with joints enlarged, twisted and deformed, and strength enough only to limp around.

Rheumatism gives many warnings and it is easy to cure it if you take it in time. When you feel the first stiffness in your knee joints, shoulders or back, the first pain in your back or shoulders, if you attack it then you can easily drive it out of your body. But if you let these "come-and-go" pains come often they will settle down and stay with you. Cure them at first and you will save many years of needless suffering. I have cured many thousands of Rheumatics with

Dr. McLaughlin's Electric Belt

It does not matter where Rheumatism is located it cannot get away from Electricity intelligently applied. Electricity will follow it to the most secret recess in the human body, and will so charge the tissues with vibrating life as to render the spot uninhabitable to disease. Rheumatism cannot exist where my Belt is applied according to my instructions.

The Kidneys are responsible for nearly every case of Rheumatism. Lacking vitality, they fail in their duties and allow the uric acid to get into the blood, where it becomes a burden to the circulation. It roams about, up and down the vast system of arteries and veins, and finally settles down in some secluded spot to rest.

The pain is most aggravating, nerve-racking and peace-destroying; the surrounding tissues, which are suffering because their blood supply has been shut off, become irritated and inflamed, and that part of the body, until relief comes in some form, is the sorest, most painful spot imaginable.

Electricity is an external application, but it goes into the body, directly to the spot where the trouble rests, pours its discomposing influence into the congestion, separates it, dissolves the urates and drives them out of the circulation, renders the blood uninhabitable to them, carrying them back to the kidneys, which in the meantime are being strengthened, and thus resumes the healthy course of nature by taking them out of the body through the bladder.

I don't ask anyone to take my unsupported word. I commend the following extracts for your careful consideration:—

Your Belt is all right. It has done wonders for me. In one month I was relieved from all pains in my back and arms. I have showed it to those who are suffering from rheumatism, and they all say they will soon have one.—R. LOUNSBURY, Cranbrook, B.C.

The rheumatism has never troubled me since I reported myself cured, nor have any of my old troubles. I thank you for your kindness and the Electric Belt.—JOHN MCGAVIN, Leadbury, Ont.

I can recommend your Belt to anyone suffering from rheumatism or indigestion.—JAMES McDONALD, 109 Lr. Marchand Road, St. John's, Nfld.

I am happy to say I have not had any rheumatism for over two years, something I could not say for many years before, previous to getting your Belt. I lose no opportunity of telling others of its virtues. I am perfectly satisfied, and money could not buy it if I could not replace it with another.—A. E. ARNOLD, Thamesville, Ont.

I have no longer any doubt but that it is a complete cure for Rheumatism, and for bracing up the nervous system it cannot be surpassed.—EDGAR PINNELL, Gladstone, Man.

I had the Sciatica, with all the rest of the troubles, but it has cured me, and I am still cured.—M. HAIG, 36 By Ward Market Square, Ottawa, Ont.

Tell me where you live and I will send the name of a man in your own town I have cured.

I don't ask any one to buy my Belt on speculation. I don't ask you to take any chances of a failure. I take all the chances of curing you. If you are suffering from **Rheumatism, Lamé Back, Lumbago, Sciatica, Varicocoele, Nervous Debility, Constipation, Lost Energy**, resulting from exposure and excesses in young and middle-aged men, write to me. I will take your case and if you are not cured at the end of three months it won't cost you a cent; all I ask is reasonable security that I will get my pay when you are cured.
