"OHIO" Gasoline Engines

are provided with special device for starting in cold weather. We have seen them started at 27° below zero and go the first turn over. That feature is worth a good deal on the farm. Write for catalogue and prices.

Progressive Farmers Build Frost Fence

They simply can't afford to erect any other kind. It is the heaviest Wire Fence manufactured; every pound of material entering into it's construction is of the very best. Consequent y it will last three times as long as any other Wire Fence. It is neat in appearance. Strong and durable. Protects the stock. Is self-regulating and in every particular a PERFECT and UP-TO-DATE FENCE.

WHY

is there such a rush of settlers to the

Last Mountain Valley

in preference to any other district?

BECAUSE

It is acknowledged to be the richest and best part of the Northwest. Also because it has been officially announced that a railroad will be constructed this year. Also because the price will be raised very shortly. And as these settlers are from the best class of farmers in Manitoba and the Northern States, they know good land when they see it.
