You can bring the famous paintings from the art galleries of the world right into your Sunday School or Church.

Like wonderful stained glass windows, they make beautiful the House of Prayer.

We have thousands of beautiful slides which we are waiting to send you.

**Pride In Personal Appearance**

Most men realize the value of neatness in personal appearance and what it means in the race for business and social success.

We do our part by laundering linen in such a way that it is both snowy white and attractive. Our domestic finish is refined and easy on linen. Makes collars, cuffs and shirt fronts wear twice as long. We Know How. Send a trial order.

**LIFE INSURANCE IS C. O. D.**

CASH ON DEATH. But some life companies pay more promptly than others. Death oftener than not comes suddenly, and what investment can be so rapidly or conveniently cashed, when the deceased's worldly estate is so often involved in confusion and uncertainty—as Life Insurance? The high reputation which The Continental Life Insurance Company have always enjoyed for prompt payment of proved claims, together with its conservative, sound management, confirm it as one of the safest insurance companies in Canada. This is one of the best reasons for its steady growth in public confidence and financial strength. Since organization the Company have paid to policyholders and their beneficiaries nearly a million and a half, and doubled its business in force every few years. During 1919, The Continental Life's business has increased so rapidly that by the end of the year it will have gained about three times the amount gained in 1918.
