The establishment of this Line will enable the Merchants of Canada West to remain throughout the business day in Montreal, and to reach their homes almost as early as if they had gone by the Mail Line at noon, and connecting, as the Boats will do, with up and down Express Trains at Ogdensburgh, they will afford direct conveyances for Passengers and Freight between the Canadian Ports and the Eastern States.

It is deemed unnecessary to dwell upon the advantages of First Class Steamers passing direct from the head of Lake Ontario to Montreal, and vice sersa, over those of Lines that involve a transhipment (on the downward trip) at an unsecsonable hour in the morning.
