CHARLOTTE TOWN, P. E. I., March 12.—John Garrick, plumber, was found dead on the road at Brighton this morning. It seems that he was on his way to do some work at Mr. Peter's residence when the end came. His tools were found by his side. Heart trouble was probably the cause of death. Garrick was about fifty years of age and came to Charlottetown from St. John about ten years ago. He leaves a widow and a large family.

## In the... Rain Storm

The man got very wet. The wetting gave him a cold. The cold, neglected, developed to a cough. The cough sent him to a bed of sickness. A dose of Ayer's Cherry Pectoral, taken at the start, would have nipped the cold in the bud, and saved the sickness, suffering, and expense. The household remedy for colds, coughs, and all lung troubles is

—Assessment Notices of valuation of Property for 1897 issued the 15th March have been issued for all Rate Payers of the Town Office. Those interested from date of Town Clerk's Notice until only fourteen days given by law for the purpose of putting in Appeal Notices in case the figures given by Assessors are not satisfactory.

Hon. Geo. E. Fisher, ex-finance minister, in a recent interview, warned people in the eastern provinces against any indiscriminate rush to the British Columbia gold fields. He said: "There is little to do except for miners and they must be experienced men. The only other persons who can go there with impunity are men who have connections, or persons who have capital." If capitalists want to go into safe gold mining ventures on business principles, Nova Scotia will furnish them the opportunity. They need not go to British Columbia.

WAKE UP HERE!—One sultry Sunday a minister was thundering away at his drowsy congregation, the majority of which would do sleep in spite of his efforts. At last he exclaimed—"Wake up here! There is a man preaching to you who has only half a shirt on his back." It woke them up tremendously. The next day a delegation of ladies visited the man and presented the preacher with a package containing some of the shirts they were wearing. He said that he should be reduced to half a shirt on his back. He replied, after accepting the shirts with thanks, that he was too literally reduced to half a shirt. Although he wore only a half on his back, he wore the other half in front of him.—Scottish American.

Hall's Hair Renewer is pronounced the best preparation made for thickening the growth of the hair and restoring that which is gray to its original color.

A BOY WHO GOT MARRIED.—This is said to be the title of a genuine essay evolved by a boy in a Welsh Board school. "King Henry VIII. was the greatest widower that ever lived," says the boy. "He was born at Aton Duni in the year 1076. He had 510 wives besides children. The first was beheaded and executed. The second was beheaded. She never smiled again. But she said the word 'Calais' and she was found on her heart after her death. The greatest man in his reign was Lord Sir Garret Wolsey. He was named the Boy Bachelor. He was born at the age of fifteen unmarried. Henry VIII. was succeeded on the throne by his great-grandmother, the beautiful and accomplished Mary, Queen of Scots, sometimes known as the Lady of the Lake, or the Lay of the Last Minaret."

PERISHED IN THE ICE.—J. D. McCormack and a man named Brown left Souris for their home at Black Bush, Saturday night, when about a mile from Souris, P. E. Island, their horse broke through the ice and after they succeeded in getting him out he ran away, leaving the men, McCormack being wet and exhausted, Brown returned to Souris for help and after procuring some started again for the ice, finding McCormack's dead body frozen stiff. The deceased was 30 years of age and a good neighbor.

TRULY ASTONISHING.—Miss Annette N. Moen, Fountain, Minn., says: "Ayer's Cherry Pectoral has made a wonderful effort in curing my brother's children of a severe and dangerous cold. It was truly astonishing how speedily they found relief after taking this preparation."

THE CHRONICLE'S ROOSTER.—Bob Fitzsimmons, and Jim Corbett, knocked the rooster out of the Chronicle columns Thursday morning and it did not cross over the Bonaventure collection until Friday morning.

BOY WHO!—We know that Fitz Corbett at Carson, Wednesday last, but who struck the Liberal party in this County? It seems to have been a "knock out blow."

The sooner you begin to fight the fire, the more easily it may be extinguished. The sooner you begin taking Ayer's Sarsaparilla for your blood disease, the easier will be the cure. In both cases, delay is dangerous, if not fatal. Be sure you get Ayer's and no other.

## DOWSWELL WASHER.

Agent for Truro William Creelman  
General Agent R. Barclay, Wentworth Station.

TO R. BARCLAY, ESQ.—The Dowswell is a first-class washer. It is splendid for bed clothing, and two children can wash with it quite easily. MRS. G. O. FULTON.  
Truro, Jan'y. 4th. 97

Mrs. R. BARCLAY, Dear Sir,—I like the Washer purchased fifteen years ago. It does the work well and saves time and labor. I recommend it to my friends wherever I have an opportunity. Yours respectfully  
MRS. S. G. A. MORRISON.

"I must say that your Dowswell Washer I got from you is the best I ever saw, and would not be without it for three times its cost. I only wish I had it twenty-five years ago, for my arm would not be lame now by rubbing on a board. A boy eight years of age can operate it. I would advise all house keepers to give it a trial if they want to save labor and health. It cleans rapidly and easily."  
Fully Laid, Dec. 26th. MRS. H. IRVING.

"This is to certify that I have used the Dowswell Washer for nearly a year. The great satisfaction I would not take three times the price if it would not get another. It's paid for itself twice over; saving time, labor and clothes. Would advise all to give a trial. MRS. J. F. FALCONER.
