Stevens and one other.George Jacques and Reginald Olders-  
haw, the two industrious and cap-

McKerrall, claim to hold the record  
for putting up a barrel of sugar, and  
offer the challenge to any two other  
clerks in the city, for money or oys-  
ters. There are 310 lbs. of sugar in  
a barrel. Yesterday afternoon Messrs.  
Jacques and Oldershaw put up the  
barrel in 50 cent packages in 81-2  
minutes. A little over eight lbs. is  
put in each package.M. Wilson, K. C. city solicitor, has  
written to C. L. McMurry & Co.,

asking them to see that the train

of the funeral parade are properly  
punished and that remedy be pro-  
vided against any similar transgres-

## PARDON

Earl Russell's Offense a Technical one  
Only Demanding a Normal  
Penalty.London, July 18.—It is stated that a  
bill influentially backed will be intro-  
duced in the House of Lords next ses-  
sion, abolishing the trial of peers by  
peers in cases of felony.It is reported that a petition to the  
Home Secretary is being organized to  
ask for Earl Russell's immediate re-  
lease. The movement is based on the  
view that his offence is virtually a  
technical one, and did not demand  
more than a nominal penalty. Some  
lawyers declare that if he had been  
tried at the Old Bailey the extreme  
penalty imposed on him would have  
been a day's imprisonment.

## BAD FALL

Workman on the Binder Twine Build-  
ing Severely Injured  
To-day.Charles Gonyou, son of Chief Gon-  
yous, of Dresden, who has been working  
on the Binder Twine building, met  
with a bad accident about noon to-  
day, falling about 20 feet.He was brought immediately to Dr.  
Hall's office by Mr. Dezella, of S. Had-  
ley Co., who happened to be there with  
a buggy.Gonyou was then taken to his board-  
ing house, Wellington St., where it  
was found that his wounds consisted  
of an injured shoulder, wrist and  
hip. He will be laid up for a few days  
but that may be all.

## FIVE CENTS

Pay Cheques of Census Enumerators  
Made out at the Rate per Name.The government pay car was in  
Hamilton on Wednesday, July 17, and  
the census enumerators there have  
received their cheques. Commissioner  
Waugh, of this city, expects the car  
here almost any day now. The cheques  
are being made out at the rate of five  
cents a name.In Hamilton the enumerators are  
not at all satisfied. Only three of  
them—Charles Staunton, Peter Nicol,  
and C. R. Fessenden—received the \$9  
promised for the three days spent re-  
ceiving instructions. And the others  
cannot understand why these three  
should be treated differently to the  
others. Acting for the enumerators,  
J. V. Testet has written to the gov-  
ernment asking how it was that only  
three of them received the extra \$9.

## LAST SPEECH

Sensational Scene in Court When the  
Biddles Were Sent to the  
Gallows.Pittsburg, Pa., July 18.—Edward  
and John Biddle, of the gang of crooks  
that killed Grover Thos. D. Kahney  
and Detective P. J. Fitzgerald in  
April, were sentenced to hang to-day.Both came from St. Thomas, Ont.  
Walter Dorman, of Cleveland, was  
remanded to jail, and will be sen-  
tenced to-morrow. He turned State's  
evidence, and on his testimony John  
Biddle was convicted. Jennie Seeb-  
ers and Jessie Bodyne, Milwaukee  
chorus girls, reputed wives of Dor-  
man and Edward Biddle, were releas-  
ed from custody.The Biddle brothers, both being  
under thirty years of age, denied kill-  
ing Kahney. Each said he did not  
have a fair trial, and the faces of  
both blanched when the death sen-  
tence was pronounced by Judge Shaf-  
fer. Edward Biddle made a sensa-  
tional statement. He said:"I could be happy if I could only  
see Dorman swinging on the end of a  
rope beside me. I want to see that  
white-livered scoundrel crossing the  
line of eternity before I do myself.  
May God curse him. Jennie Seeb-  
ers, who helped him to swear away the  
lives of my brother and myself, is a  
thief, and has been a thief, and knew  
Dorman was one before his arrest.  
She dressed up in men's attire, and  
went out in the streets at night rob-  
bing people and houses and stores  
with Dorman. She would pull her  
hair up like a man and spit at a  
black handkerchief around her ears,  
turn up her coat collar, and then  
would pass for a man anywhere."Miss Seebers was taken home by  
her mother. Miss Bodyne will go  
to an Episcopal Church home in  
Connecticut.Andrew Clannahan, of Glencoe, enter-  
ed St. Joseph's Hospital yesterday.Ella Murdock, of Wallaceburg, is  
visiting Miss Maud Dezella, Head St.A. Bourassa, of the Powell & Davis  
Co., is spending his holidays at his  
home in Pain Court.Ed. Desjardins, of McGregor, vis-  
ited his sister, Mrs. Bechard, King  
street west, yesterday.Mrs. C. E. Millard, wife of Capt.  
Millard, of the "Erie Stuart," joined  
her husband here last evening.Alfred Stevenson has secured a  
place on the Erie Stuart, which will  
leave here to-morrow with a cargo of  
brick for Warton.The Oddfellows excursion commit-  
tee will meet in the E. O. O. F. temple  
this evening, when all the matters  
pertaining to last year's excursion to  
Cleveland will be closed up.H. A. Revait, of Owosso, Mich., ar-  
rived in the city to-day, and will  
spend his vacation with his parents,  
Mr. and Mrs. L. Revait, Thamesville.Complaint is made of the Canada  
thistles growing on the vacant lot  
between the residences of Chas. Le  
Francis and Mr. Peters, Edgar  
street.Fred L. Crozier, who advertised his  
furniture for sale on Monday next,  
has decided to remain in the city and  
retain his position with Gray & Sons  
that he has filled in a most accept-  
able manner for years. The sale  
will not take place.

## BUSINESS COLLEGE.

Mr. W. H. Shaw, principal of Cen-  
tral Business College, Toronto, has  
been in Montreal lately inspecting  
the field, with a view of establish-  
ing a counterpart of his excellent  
school in that city.—Mail and Empire.

## PROMPT ACTION

Officer Tom Groves Puts a Stop to the  
Practice of Loafing on the Park.For some time lately complaints  
have been made by private citizens of  
the disgraceful conduct of a number  
of young boys on Tecumseh Park.  
Some of these boys make a practice  
going to the park, arranging them-  
selves on a couple of seats and play-  
ing cards. They also use very profane  
language and make it very unpleasant  
for citizens who go to spend a quiet  
hour at Chatham's popular resort.Officer Groves heard of the conduct  
of these boys and determined to put  
a stop to it. He was walking across the  
park unobserved this morning while  
the boys were thus enjoying them-  
selves. He took them completely by  
surprise, secured the cards and gave  
the boys a severe lecture.In speaking of the matter after-  
wards he said, "There are about a  
dozen of the boys, altogether, none of  
them can be over 15 years of age. The  
boy who claimed ownership of the  
cards said he was 14 years old. I took  
the names of a number of them, and if  
the same state of affairs happens  
again I will certainly make an exam-  
ple of some of them."

## A SUSTAINING DIET.

These are the enervating days,  
when, as somebody has said, men drop  
by the sunstroke as if the Day of Fire  
had dawned. They are fraught with  
danger to people whose systems are  
poorly sustained; and this leads us to  
say, in the interest of the less robust  
of our readers, that the full effect of  
Hood's Sarsaparilla is such as to sus-  
tain the propriety of calling this medi-  
cine something besides a blood puri-  
fier and tonic,—say, a sustaining diet.  
It makes it much easier to bear the  
heat, assures refreshing sleep, and  
will without any doubt avert much  
sickness at this time of year.Miss Mina Dougan has been ap-  
pointed Town Treasurer of Thorold.Three sons of Albert Sweede of  
Huddersfield were drowned.—That tired feeling is a burden you  
need not carry. Hood's Sarsaparilla  
will rid you of it and renew your  
courage.

## OUT FOR 51

Chatham Cricketers Dismiss the Aylmer  
Club for This Score This MorningChatham and Aylmer are playing  
a game of cricket on Tecumseh Park  
to-day. The Aylmer club to-day  
would up their tour. They have  
now been out for a week, and during  
that time they have played with  
Forest, London Barracks, Cleveland,  
Watford and Chatham. Up to the  
present time they have won every  
game they have played. E. C. Mon-  
teith is the captain of the club and  
he feels very proud of his team, and  
well he may be. Richard Godbold,  
one of the Aylmer club, made a "cen-  
tury" in the game with Forest, and  
so has the honor to be the only  
cricketer in Ontario who has made  
100 runs this year. John Horstead,  
who until a few weeks ago played  
with the Chatham team, is wicket  
keeping for Aylmer and is as usual  
making a record for himself as a  
batsman. His average, previous to  
the present game, is 40 runs. The  
highest he made was 62. This score  
was made in the game with Watford.In the game to-day, however, he  
met with bad luck. He made a fly  
out of the first ball bowled to him,  
which was sensationally caught by  
Hutchinson. Robert also deserves  
credit for some splendid catches. Ait-  
kins and Kenny did the bowling for  
Chatham, and Campbell and Godbold  
bowed for Aylmer. The Aylmer club  
went in first to bat and were put out  
after they had scored 51 runs.At the time of going to press the  
Chatham club were still at bat.

Great Clearing Sale of  
Boys' 3 Pc. Suits

Every Suit Must go COMMENCING Every Suit Must go

Saturday Morning, July 20

It's time to make a complete clearance of  
all summer garments and odd lines to make  
room for our big fall stock. Leastwise, that's  
the way we look at it. It's a rule of ours—  
that each season must consume its own mer-  
chandise and none to be carried over to another  
season. Its a good rule, too, and even the  
prospect of losing some money won't induce us  
to infract it. Let every suit go!
