The common root of these diseases is germ or microbic irritation.—Catarrhozone not only destroys disease germs, it does more, it heals disease and thlamed tissue. The disease is not only cured, but its re-turn is forever prevented by using Catarrhozone, which is splendid also for colds, coughs and irritable throat. Remember, you inhale Cafarrhozone

Borbon Baskets. Baskets of drawn sugar make an exceedingly dainty ornament, with flaring edges and a long handle. They are woven from strands of variegated col-or or they are entirely of satiny white strands, with perhaps a ribbon of pink or blue sugar fastened at the top. These baskets are employed to hold bonbons or petit fours, no other receptacles appearing on the table. A host-ess tells the caterer the color scheme for her dining room, and he furnishes the sugar decorations in accordance.
