#### WHO IS MRS. WINSLOW.

# As this question is frequently asked, we will simply say that she is a lady who for will simply say that she is a hady who her upwards of thirty years has untiringly spent her time and talents as a female Physician and nurse, principally among the children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as a nurse and result of this effort, and practical knowledge, obtained in a lifetime spent as a nurse and physician, she has compcunded a Soothing Syrup, for children teething. It operates like magic—giving rest and health, and is, moreover. sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do mrs. Winslow bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are partry sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we Monday night. foundry Saturday last. Matters were name by this invaluable article, and we sincerely believe thousands of children have sincerely believe thousands of children have been saved from an early 'grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed.
