For particulars apply to CHARLES PARKER, Newbridge, Ots.	never been given by the Crown in an important case. OBITUARY NOTES. The Earl of Craven is dead. Dr. Joseph Gibbons, of Philadelphia, pub- lisher of the <i>Friends' Journal</i> , is dead. He was a strong abolitionst, and took a promi- nent part in the underground railroad scueme to aid fugitive slaves to escape. B. P. Brown, Esq., died on Monday at his residence in Brownswille, aged 88 years. De- ceased was born in the county, and in his lifetime aided material y in developing its resources. He leaves a large family, among whom are Mr. E. B. Brown, deputy reeve of Durham, and Mr. P. J. Brown, barrister, of Ingersoll. During the past season 249 horses have made better than 2.50, of which 218 were trotters and 31 pacers. During the season 2.30 or better has been made 581 times. Of this number 251 were between 2.30 and 2.25, 213 between 2.25 and 2.20, 97 between 2.20 and 2.15. and 20 between 2.15 and 2.10. Thirty-three horses have beaten 2.20 during the season, and from the rapidity with which the flyers are reducing their records and new horses are coming to the front it will not be long until it will be necessary to begin the fast list of 2.20 instead of 2.30,	The Nashville School Board is decidedly not of the opinion that matrimony is desir- able, at least as far as one sex is concerned. At a recent meeting a resolution was passed "That the marriage of any lady teacher shall be considered equivalent to the tender of her resignation." This at first signt seems cruel. But "marriage is a desperate thing," quoth Selden. "The frogs in the Æsop were ex- tremely wise; they had a great mind to some water, but they would not leap into the well because they could not get out again." And the Nashville School Board is very solicitous for the welfare of their lady teachers, or, per- haps, they think that no woman can mauage a husband and a school at the same time. A Bad Example to His Flock. New YORK, Dec. 7.—The jury iff the case of Bridget Cronin, aged 18, alainst Father Cronin for \$10,000 damages for indecent as- sault has awarded the plaintiff the full amount. Cronin making no defence. He is pastor of a Catholic church in Brooklyn. Graveyard Insurance. FALL RIVER, Dec. 10.—It is said there has been collusion between medical examiners, agents, and others here for two years. The graveyard insurance scheme has broken down. Druhkards, consumptives, and unhealthy persons have been insured for sums ranging	held over for a decision. A Long-Missing Windsor Man Turns Up in California. DETROIT, Dec. 11.—Wm. Bice, of Comber, Ont., leit his home May 1st and went to Windsor to renew his hotel and saloon license. He also visited Detoit, and from this city wro e a letter to his wile stating that he had lost a large sum of money gambling, and intended to commit suicide. It was sup- posed at the time he had drown d himself, and his wife, acting under the advice of a or- tune-teller, paid a diver \$50 to search uteriver bottom at Waikerville for his body. The search proved fruitless, and the case passed from the public mind. To-day the police captain of this city received a letter f om Mrs. Rice stating that she had heard from her husband, and that he was in Cali- fornia. A meeting of Orangemen to express indig- nation at the suspension of Lord Rossmore's commission was held at Monaghan recently. Numerons Orangemen with drums, flags, etc., were present. The carriage containing Lord and Lady Rossmore was unharnessed and drawn by a crowd of men to the place of meeting. A resolution was passed condemn- ing the removal of Lord Rossmore from the magistracy. Lord Rossmore from the magistracy. Lord Rossmore, in thanking the meeting, said that what he had done he	La Liberté says England is taking energetic steps to bring about a treaty between France and China. It adds : "Peaceful negotia- tions have made great progress in the last few days." The statement that the Chinese ambassa- dor sent a note to the Prime Minister asking a suspension of operations in Tonquin is un- true. No notes have passed between them since November 30th. In Government has telegraphed to the commander in Tonquin to continue prepara- tions for the campaire against Sontay and Bacninh, but to await fresh orders before taking decisive action. A Canton despatch says :The Viceroy re- pudiates the declaration of Admiral Pang that China will decline to assume the re- sponsibility for damage to the property of foreigners in the event of war. Admiral Meyer telegraphs that Admiral Courbet's preparations in Tonquin are far ad- vanced, and all his steam launches are ready to support Courbet's operations by more- ments on the canals near Hanoi; Bacninh, and Sontay. Another mob at Canton last week desi- troyed the chapel that was built at the ex- pense of native Christians. Soldiers dis- persed the mob, and 200 men remained on guard at the ruin. The mob seemed to think that General Pang had arrived to drive out	 ico, which is unprecedented, and greatly "alarms superstitious Mexicaus. It is reported to be four feet deep in the mountains at Monterey. The bill for the formation of a Federal Council of the Australian colonies provides for the representation of each colony and of the Crown, and for the holding of annual sessions. The Intercolonial Conference at Sydney before adjourning passed resolutions against recognizing purchases i land in New Guinea before British dominiou had been established there. A Lima despatch says :Difficulties are pending between Cauren and State owing to the Archbishop of Lima refusing to accept the nominations made by the present Government. A resolution favouring the formation of a Federal Council to deal with matters requiring united action on the part of the Australian colonies has been adopted by the conference of delegates from the Australian legislatures meeting at Sydney. Nothing is so reliable as Ayer's Cherry Prectoral for colds, coughs, in short for any and all derangements of the respiratory organs, which tend towards consumption. In all ordinary cases it is a cortain cure, and it affordssure relief for asthma and consumption. 	with bog oak tracery, and other appropriate ornaments. The illuminations of the album include pictures of Avondale Mansion, Parnell's family arms, family miniatures, painted, and the borders of the illuminated pages are inscribed in the style of the best Irish manuscript. The album is enclosed in a richly wrought oxydized silver casket of elaborate workmanship. The device and designs are the work of Henry O'Shea, of Limerick, and the expense incurred therefor was £100. What O'Donnell Wanted to Say. O'Donnell's wife, who arrived at Liverpool from Philadelphia on the steamer British Princess, has come to London to visit her husband. O'Donnell's brother writes from Letterkenney, Irelaud, under date of the 7th inst., stating thfat what O'Donnell had deter- mined to say in court if permitted to speak was that Carey drew a revolver after a heated discussion which was begun by Carey cursing Americans. O'Donnell struck the revolver from Carey's hand, and as the latter was stooping to regain it O'Donnell fired three three shots instantaneously. James Parish, steward of the Melrose Castle, who testified that he was present when the fatal shot was fired, was not present during the quarrel, but came upon the scene afterwards.
