Greater Production Company Formed

Shares to be \$10 Each--Work to Begin Immediately

The Greater Production Committee, chosen by the public meeting on May 6th, met on the 9th to hear the report of the Sub-Committee, appointed the same night. It was decided to form a Joint Stock Company with a capital of \$10,000 divided into 1000 shares of \$10 each. Such was the recommendation of the sub-committee—Messrs J. E. A. Anderson, Edward Hickey and E. A. McCurdy—whose recommendations were considered section by section and adopted except the section relating to the procuring and selling of Mussel mud, which was considered at present inadvisable.

The Company is to be called Greater Production Co., Ltd. The objects are to be as follows:

1. To rent one or more farms for a certain length of time, say, five years, and cultivate same, engaging for work men either on a wage basis, or, preferably, on a percentage basis.
 2. To raise pigs and fowls.
 3. To stimulate interest in farming, market gardening, cattle raising, poultry farming, etc. in Newcastle district.
 4. To purchase, ultimately, a well and conveniently located farm and develop same into a model farm.
- Mr. A. A. Davidson is the Honorary solicitor of the company. Five Provisional Directors were appointed as follows: E. A. McCurdy, Charles Sargeant, Andrew McCabe, John H. Troy and D. A. Jackson. Further organization is proceeding satisfactorily.
